# CLATSOP COMMUNITY COLLEGE

## OFFICE OF ADMISSIONS

1653 Jerome Avenue ~ Astoria, OR 97103

503-338-2411 ~ [admissions@clatsopcc.edu](mailto:admissions@clatsopcc.edu)

Dear Prospective Nurse,

Thank you for your interest in Clatsop Community College's Nursing Programs. Clatsop offers an Associate Degree in Nursing with a four-term Practical Nursing Certificate option. Enrollment is limited and you must apply for admission. If accepted, you will begin nursing classes fall term. This packet has been prepared to help you understand the application and selection process. Please read all of the information carefully. We look forward to hearing from you!

Nurses at all levels need to be caring and relate well to people of different backgrounds and cultures. As a nurse, you need to be able to adapt to change, think critically, and respond during crises. Personal integrity and ethical behavior are essential for nurses. The nursing program is academically and physically rigorous. As a nursing student, you need to be able to grasp scientific concepts, set up and answer basic math and algebra problems, and communicate well verbally and in writing. You need to be able to remain on your feet for extended periods, lift up to 40 pounds, hear heart and breath sounds and use a telephone, read fine print, and identify skin tones such as pale, ashen, grey, or bluish.

**ASSOCIATE DEGREE NURSING (ADN-RN program):** After successfully completing the two-year ADN program, you will receive an Associate of Applied Science Degree and can take the licensing exam for registered nursing (RN). Registered nurses are caring and use knowledge, skills, and problem-solving abilities to help individuals, families, and groups with health needs. RNs plan, care, and work with people to help them become healthier or to regain health after illness or surgery. Nurses teach health practices to clients and other health care providers, and frequently supervise the work of nursing assistants and practical nurses. RNs also administer medications and perform treatments for patients. Nurses work in a variety of settings, including hospitals and long-term care, schools, industry, clinics, and patients' homes.

**PRACTICAL NURSING CERTIFICATE PROGRAM:** After completing four quarters of the ADN program, you will receive the Practical Nursing Certificate and may take the licensing exam for practical nursing (LPN/LVN). Licensed practical nurses care for patients under the direction of an RN, physician, or dentist. They collect information about the patient's health, help plan care, and administer medications and other treatments. Practical nurses work primarily in hospitals and long-term care. They may also work in medical or dental offices, clinics, and caring for patients in the home.

Sincerely,

Joanne Swenson  
Admissions Coordinator

## APPLYING TO THE PROGRAM

Enrollment in the nursing program is limited so you must apply and be selected for admission. You must meet the minimum requirements to be considered for admission. If you meet those requirements, your application will be evaluated and awarded points in a competitive process.

There will be two pools of applicants: one pool for students who will attend clinicals at the Astoria campus and one pool for students who will attend clinicals at the Tillamook campus.

- Candidates will choose which pool of applicants they wish to apply to.
  - They may apply to only the Astoria campus.
  - They may apply to only the Tillamook campus.
  - They may apply to both the Astoria and Tillamook campuses.
- Candidates will identify county of residence.
  - Residents of Clatsop County will receive five points for the Astoria pool.
  - Residents of Columbia County, OR or Wahkiakum County or Pacific County, WA will receive three points for the Astoria pool.
  - Residents of Tillamook County will receive five points for the Tillamook pool.
  - Residents from outside of the listed counties will not receive resident points.
- Two pools of applicants will be created and students will be chosen as follows:
- Of the students in the Tillamook pool, the nine students with the highest number of points will be accepted into the nursing program for the Tillamook campus.
  - If a spot becomes available, it will be offered to the alternate, of the Tillamook pool, with the next highest number of points, and so on.
- Of the students in the Astoria pool, the 24 students with the highest number of points will be accepted into the nursing program for the Astoria campus.
  - If a spot becomes available, it will be offered to the alternate, of the Astoria pool, with the next highest number of points, and so on.

Students who have financial aid questions are encouraged to contact Clatsop's Financial Aid Office at 503-338-2322 or [financial\\_aid@clatsopcc.edu](mailto:financial_aid@clatsopcc.edu).

## SUBMITTING YOUR APPLICATION

You may submit your application packet beginning March 1. All required forms must be submitted **AS ONE COMPLETE PACKET by 5:00 p.m. on FRIDAY, APRIL 1, 2005. NO applications or documentation will be accepted after the deadline.** You may bring your application to the Admissions Office in Towler Hall, Room 200 or mail it to: **Clatsop Community College, Nursing Admissions, 1653 Jerome Ave, Astoria, OR 97103.**

If you are not currently a degree-seeking Clatsop student you must submit the Clatsop Application for Admission and \$15 admission fee. The application is at the end of this packet of information. All applicants must submit the following: application packet checklist, official transcripts, ASSET or COMPASS score report, verification form, residency form and documentation if applicable, and the employer form if applicable. No letters of recommendation will be accepted.

If you are currently attending a college other than Clatsop and your winter term grades are not posted on your transcript by the application deadline, it is your responsibility to make sure Clatsop receives those official transcripts no later than April 15, 2005.

Any applicant requiring reasonable accommodations for the application should call 503-338-2411.

## EVALUATING THE APPLICATIONS

You will receive a letter and a copy of your point scale after your points have been computed. If you have questions about the point scale, the letter will state the times when you may meet with the Admissions Coordinator. Final letters notifying you of your acceptance to the program or your alternate status will be mailed approximately one month after the application deadline. The following pages detail the criteria applicants must meet to be considered for the Nursing Program.

# MINIMUM EVALUATION REQUIREMENTS

You must meet the following minimum requirements by April 1, 2005 for your application to be evaluated. Only official transcripts providing verification of winter term grades will be accepted through April 15, 2005. No other documentation will be accepted after the April 1, 2005 application deadline.

Please see the Clatsop Community College catalog at [www.clatsopcc.edu](http://www.clatsopcc.edu) for course descriptions.

**1. GPA REQUIREMENT: You must meet one of the following criteria.**

- A minimum of 24 college credits with a cumulative 2.5 GPA for all college credits earned.
- ***OR*** You may choose to use only those college credits you earned after August 1, 1998 if you have earned a minimum of 24 credits. All of those credits must have a cumulative GPA of 2.5.

**PLEASE NOTE: If you choose to use only those college credits that you have earned after August 1, 1998, any nursing degree requirements completed prior to August 1, 1998 will not be applied to your degree requirements. You must meet those requirements to graduate.**

- ***OR*** A high school diploma with a 2.5 GPA.\*
  - ***OR*** A GED certificate with a minimum overall average score of 460 (or prior to 2001, an overall average score of 46).\*
- \* If you have at least 24 college credits, your GPA will be computed using your college credits, not your high school credits, or your GED score.

**2. WRITING REQUIREMENT: You must meet one of the following criteria.**

- Completion of WR 121 English Composition or higher completed with a grade of C or above.
- ***OR Demonstrated*** readiness for WR 121 by a minimum score of 45 on the ASSET Writing Placement Test or 77 on the COMPASS Writing Placement Test.

**3. READING REQUIREMENT: You must meet this requirement.**

# EVALUATING NURSING APPLICATIONS

If you meet the minimum requirements for admission, your application will be awarded points in the categories below. Please see the Point Scale on page 11 for clarification.

## 1. **Cumulative GPA:** **Maximum points = 24**

The points you will receive for your cumulative GPA will be based on the choice you made to meet the minimum requirements.

- If you chose to use **ALL** of your college credits earned, your cumulative GPA will be computed using only those transcripts that you are using to meet your chemistry, anatomy and physiology, math, writing, and other nursing degree requirements. Please refer to the nursing degree requirements checklist on pages 12-13. If you chose to use **ONLY** those college credits earned after August 1, 1998, your cumulative GPA will be computed using all of the credits earned after August 1, 1998.
- Your high school GPA or GED scores will be used to award your points if you have earned less than 24 college credits.

## 2. **Nursing program degree requirements completed with a grade of B or higher using the GPA option you chose:** **Maximum points = 20**

You will receive points for courses required for graduation from the nursing program that are completed with a B grade or higher prior to the application deadline. A specific number of points is awarded for each course or its equivalent. Points are not awarded CH 104 & 105 or its equivalent, nor are they awarded for courses that have not been completed by the application deadline.

## 3. **ASSET or COMPASS reading placement test score:** **Maximum points = 5**

You will receive 5 points if your score on the ASSET reading placement test is 47 or higher and on the COMPASS if your score is 91 or higher.

## 4. **Health occupation cluster or health care work experience:** **Maximum points = 6**

- If you satisfactorily completed a high school health occupations cluster or curriculum or a JOB Corps health occupations vocation with a C grade or higher after August 1, 1998 (verified by your high school or JOB Corps transcript), you will receive two (2) points.

### **OR**

- Points may be awarded if you have experience providing direct patient care as a CNA, EMT, dental or medical assistant, or in another health profession within the past seven (7) years verified by your supervisor or employer. Six (6) points are awarded for work experience that totals one (1) year or more full-time equivalent (2000 hours or more); four (4) points are awarded for six months to one year full-time equivalent (1040 to 1998 hours); two (2) points are awarded for three to six months full-time equivalent (530 to 1039 hours).

## 5. **Residency:** **Maximum points = 5**

Residents of Clatsop County or Tillamook County receive 5 points in the appropriate pool as indicated on page 3. Residents of Columbia County, Oregon or Wahkiakum or Pacific Counties, Washington receive 3 points.

## 6. **Earned Degrees:** **Maximum points = 10**

You will receive 4 points if you have an earned bachelor's degree and 6 points if you have an earned master's degree from a regionally accredited college or university. You must include an official sealed transcript from the college or university showing the degree you earned. **PLEASE NOTE:** If you choose to have your GPA computed using only those credits you earned after August 1, 1998 you will not be awarded points for degrees earned before August 1, 1998.

# VERIFICATION OF PROGRAM AND LICENSURE REQUIREMENTS

It is the policy of Clatsop Community College that there will be no discrimination or harassment on the grounds of race, color, sex, parental or marital status, religion, national origin, age, sexual orientation, or disability in any education programs, activities, or employment. Questions or complaints should be directed to the Affirmative Action Officer in Patriot Hall 225, 503-338-2450; TDD 503-325-2902. Admission to the Nursing Program is limited by such factors as class size and academic prerequisites.

As a student in the Nursing Program, you are expected to meet minimum performance standards for nursing, including but not limited to the following standards.

- Ability to grasp scientific concepts, set up and answer basic math and algebra problems
- Critical thinking sufficient for clinical judgement
- Verbal and written communication sufficient to effectively interact with clients, peers, and others
- Ability to move from room to room, maneuver in small spaces, remain on feet for extended periods of time, and lift up to 40 pounds
- Gross and fine motor skills sufficient to provide safe and effective nursing care
- Hearing sufficient to monitor and assess clients, e.g., hear heart and breath sounds and use a telephone
- Visual acuity and color discrimination sufficient to read fine print, to observe and assess clients, e.g., identify skin tones such as pale, ashen, grey, or bluish and to interpret diagnostic tests such as glucose test strips
- Tactile ability sufficient for physical assessment, e.g., palpate peripheral pulses

In addition, students are advised of the following Oregon State Board of Nursing (OSBN) rules concerning Application for Licensure by Examination (RN or LPN):

If the applicant has a physical or mental condition that could affect her/his ability to practice nursing safely, a physical or mental assessment may be required. The assessment will assist in the determination as to whether or not the applicant's physical or mental health is adequate to serve the public safely.

An applicant who has been arrested, charged or convicted of any criminal offense will be evaluated and a determination will then be made as to whether the arrest, charge, or conviction bears a demonstrable relationship to the practice of nursing.

Examples of crimes for which an individual will be denied licensure include:

- Crimes against another person such as murder, manslaughter, assault, rape, sexual abuse, child abandonment or neglect.
- Conviction within seven years for a crime against property such as first degree offenses including burglary, arson, criminal mischief, robbery, or forgery.
- An extended history of arrests and convictions demonstrating habitual disregard for societal rules.

A criminal record and a drug screen check may be conducted prior to a required clinical experience. A criminal record or a positive drug screen detected in this manner will preclude your ability to complete the required clinical experience and will result in dismissal from the program. In addition, a criminal record will be conducted when you apply for licensure.

**The College is not responsible for a student's physical, mental, emotional health, or ability to qualify for licensure.**

\*\*\*\*\*

I have read the above statements, and I verify that I am physically, mentally, and emotionally capable of meeting the performance standards for nursing and that I do not have a criminal record that would exclude me from clinical experience and for nursing licensure in the State of Oregon. **Please submit this form with your application.**

# DECLARATION OF RESIDENCY FOR NURSING APPLICANTS

*For permanent residents of Clatsop, Columbia, Tillamook County, Oregon  
or Pacific or Wahkiakum County, Washington*

**Do not submit residency documentation if you are not a resident of one of the above counties.**

Residency points are granted to those who have maintained a permanent residence in Clatsop, Columbia, Tillamook County, Oregon or Pacific or Wahkiakum County, Washington for at least ninety continuous days (December 2004, January and February 2005) prior to the application deadline. You must submit documentation that includes your physical address -- not a post office box. Accepted records include:

- copies of checking or savings account records from a local bank or savings institution,
- copies of employment records from a local firm,
- copies of billing statements from a local utility company, or
- copies of rental receipts.

Please attach the proof of residency documentation to this form.

## **IF YOU ARE SELECTED FOR ADMISSION TO THE PROGRAM**

If you are selected for admission to the program, you are required to pay a \$100 fee to the Clatsop Business Office by 5:00 p.m. on or before June 24, 2005. This deposit secures your position in the program and will not be refunded should you decide not to enter the program.

### **REQUIRED ANATOMY AND PHYSIOLOGY COURSE**

Those students selected for the program must complete BI 233 Human Anatomy and Physiology or the equivalent as determined by the Clatsop Community College Registrar's Office completed with a grade of C or above by the start of fall term 2005 AND must complete the required entry-level nursing skills course. Please be aware that BI 233 might not be offered summer term at Clatsop Community College.

### **REQUIRED ENTRY-LEVEL NURSING SKILLS**

- Satisfactory completion of NUR 50 at Clatsop Community College or an equivalent course as determined by the Clatsop Community College nursing faculty within one year prior to enrollment in the nursing program.
- **OR** Satisfactory completion of a State Board of Nursing approved nursing assistant course completed within one year prior to enrollment in the nursing program.
- **OR** A current CNA certificate.

### **CLINICAL ROTATIONS**

Students who are accepted for the program will be assigned to clinical rotations based on which campus they have been admitted to. Clinicals may be during the day, evening, or weekends. Theory classes will be held in Seaside for the first and last term of the program. During the other terms of the program all theory classes will have two different delivery modes, either face-to-face in a traditional classroom in Astoria or as online classes through the internet. Students can choose which delivery method they wish to participate in.

### **IMMUNIZATIONS, TUBERCULOSIS SCREENING, AND CPR TRAINING**

You must provide documentation of the following (or a signed medical or religious exemption\*) in order to participate in required clinical experiences. You must bring these records to the Nursing Program Orientation in September. Please call Audrey Knippa, Director of Health Occupations, at 503-338-2436 if you have questions.

#### **MEASLES (rubeola)**

If you were born after January 1, 1957, you must provide documentation of:

- The dates after your first birthday that you received two doses of the measles vaccine with a minimum of 30 days between doses.
- **OR** the month and year you received a second dose after December 1, 1989
- **OR** a measles titer indicating immunity to the disease
- **OR** documentation by a health care professional of the disease.

#### **HEPATITIS B**

Provide documentation of:

- Completion of the hepatitis B series (3 immunizations over a period of 6 months)
- **OR** at least two doses (1 month apart) of the hepatitis B vaccine
- **OR** a hepatitis B titer indicating immunity to the disease.

#### **TUBERCULOSIS SCREENING**

Provide documentation of:

- A current annual negative tuberculosis skin test (PPD)
- If you have a positive skin test, a current annual negative chest X-ray.

#### **CPR TRAINING**

Provide documentation of:

- A current annual American Heart Association (AHA) Health care provider CPR training (includes adult, infant, child and AED).

*\*Medical exemption means written documentation of the disease by a health care professional or a valid medical contraindication to the immunization.*

*Religious exemption means you follow a religion that is opposed to immunizations.*

*You will not be allowed to participate in clinical experiences in some health care settings without appropriate measles immunization or documented immunity to the disease. This will affect your ability to meet course objectives and complete the course and program.*
