Fiscal Year 2018-2019
Budget Message
Clatsop Community College
May 1, 2018

Introduction

As required by Oregon Local Budget Law, this document presents a balanced budget for approval by the Budget Committee and the Board of Directors. This budget provides strategic investment with flexibility to allocate budget to new initiatives during the fiscal year. Strategic initiatives are currently in development for the 2018-2023 institutional strategic plan.

2017-18 Budget Adjustments and Fund Overview

General Fund 2017-18 (current year) revised budget reflects changes to revenue and expenditure estimates due to the decision to delay the Qualified Member of Engineering Department (QMED) program and student enrollment lower than projected. The adopted budget included an 8 percent tuition and fee increase. Actual tuition and fee revenue is flat compared to FY16-17. Expenditure levels are up approximately 10 percent as anticipated with new positions and collective bargaining cost-of-living and step increases.

Major **2017-18** adjustments and milestones include:

Revenue

- Legislative State support approved at \$570 million for 2017-19 biennium;
- Revised tuition and fee estimate reflecting flat revenue;
- Higher than anticipated timber proceeds.

Expenditure

- No cash flow borrowing required in FY18;
- Facilities director position returning to general fund (formerly project manager Plant Fund)
- Patriot Hall opening in July 2017 with staffing model evolving to meet student and community needs.

The education and support of students continues to be the College's primary focus. Development and management of the budget is not possible without the ongoing participation of all College faculty and staff. The Budget Advisory Committee has worked diligently to consider strategic planning and financial position to develop the 2018-19 budget with an emphasis on budget flexibility. The strategic planning process and specifically, development of strategic initiatives, is continuing.

Once the budget is approved and adopted, ongoing monitoring of revenues and expenditures will be necessary to ensure revenue is sufficient to support the spending level. Improving General Fund reserves is a priority for both fiscal sustainability and to address cash flow requirements.

This document provides: actual revenues and expenditures for fiscal years 2015-16 and 2016-17; the 2017-18 adopted budget; and the proposed budget for 2018-19. The College's accounts are maintained in accordance with fund accounting principles to ensure that limitations and restrictions on the College's available resources are observed.

Student Enrollment

| Reimbursable SFTE Enrollment | | |
|------------------------------|------------------|---------------|
| FY19 - Projected | FY18 - Estimated | FY17 - Actual |
| 1400 | 1400 | 1426 |

The upward trend in reimbursable enrollment began with focused efforts on student retention and advising in FY17; however, revised estimates indicate a 1 percent decline in FY18 and flat enrollment projected in FY19.

The funds used by the College include:

- **General Fund (11)** - accounts for all current financial resources not required to be accounted for in other funds. This is the fund in which most operating activities of the College occur.
- **Auxiliary Fund (12)** - accounts for transactions of substantially self-supporting activities that perform services primarily for students, faculty and staff. These activities are financed primarily through user charges and operate in a manner similar to private business enterprises. The College uses the auxiliary fund to account for the operations of its bookstore.
- **Grants/Financial Aid Fund (21)** - accounts for resources that are expended only for operating purposes specified by donors or other outside agencies.
- **Unexpended Plant Fund (41)** - accounts for resources available to finance the acquisition, construction, or improvement of plant assets for the College.
- **Plant Fund Debt Service (42)** - accounts for the payment of principal, interest and other debt service charges incurred in financing College plant assets.
- **Clubs and Organizations Fund (54)** - accounts for resources held by the College as custodian or fiscal agent for students, faculty, staff and other organizations.
- **Non-Plant Debt Service Fund (60)** - is used to accumulate resources for the PERS bonding payment of principal and interest.

Within each fund, budgets are prepared for revenues, expenditures and transfers. Revenues and transfers are presented by object. Expenditures are summarized by cost center organization, function and object.

The Budget Process

In January 2018, the College began preparing for fiscal year 2018-19 budget development with meetings with the representative Budget Advisory Committee which includes faculty and staff representation. Concurrently, a Strategic Planning Committee has been developing a new five-year strategic plan informing the budget priorities and future goals.

The fiscal planning assumption for state support has been made using the 2017-2019 Legislative approved allocation at \$570 million to community colleges. Clatsop anticipates receiving 1.1% of the total community college allocation with \$3.156 million estimated in FY2018-19 (CCSF Formula 4th Quarter, April 15, 2018). The February 2018 special session declined to fund any portion of the \$32 million community college request.

A fiscal forecasting document that defines revenues and expenditures has been used to describe the current and projected fiscal outlook for the College. The administration has continued to meet with the faculty, classified and supervisory staff members to discuss fiscal information and provide updates as new information becomes available.

Decision-making Framework

The Budget Advisory Committee, established by then President Galizio in 2012, is part of the College's participatory governance organizational structure to include all constituent groups in decision-making about College resources and spending. The Committee developed guiding principles, reviewed annually, and focused decision making by connecting budget discussions to the strategic plan, core values and strategic initiatives. The Committee membership includes employees from all representative groups. Meetings have concentrated on revenue sources including tuition and fees, state support, property taxes, and timber revenue with key changes anticipated in 2018-19. Expenditures have been reviewed at summary levels as informed by the significant staffing changes and collective bargaining which defines steps and health benefit insurance. The full-time faculty, part-time faculty and classified employee collective bargaining agreements expire in 2019 or later; therefore, COLA adjustment, as defined by the agreement or approved by the Board, are in the proposed budget. Fiscal forecast projections and budget development assumptions continue to be refined based on actual revenue, expenditures and developing information.

The proposed budget includes:

Revenue

- \$3 tuition increase, effective summer 2018;
- State support appropriations based on April 2018 CCSF Allocation;
- \$450,000 timber revenue (exceeding debt service requirements).

Expenditure

- Steps for eligible employees;
- 3 percent cost of living increase for all eligible employees (collective bargaining defined rate);
- 5 percent increase for medical, dental, vision;
- PERS rate remains at 21 percent;
- Increases for fixed cost items such as utilities and insurance.

2018-2019 Proposed Budget

The proposed budget has reason for optimism based on strategic planning and investment in academic, student services and operations. The General Fund resources for 2018-19 include:

- \$4.526 million property taxes;
- \$3.314 million student tuition & fees;
- \$3.156 million state support appropriations;
- \$450,000 in timber revenue;
- \$164,600 in other revenue;
- \$1,100,000 beginning fund balance.

Budgeted expenditures in the General Fund reflect the following changes as recommended by the Budget Advisory Committee. Double asterisk (**) represents Plant Fund (41) budget.

The Budget Advisory Committee considered twelve budget requests and prioritized the requests in the following order:

| Position/Item | AVG. Rank/Range | Cost |
|-----------------------------------|------------------------|-------------|
| Counseling | 3.9 (1-10) | 14,319 |
| Library staffing | 4.0 (1-9) | 21,000 |
| Computer services VM ware | 4.2 (1-9) | 38,800** |
| ABS Program | 4.9 (1-12) | 55,797 |
| Admissions PT assistant | 6.2 (3-11) | 8,273 |
| Historic preservation shop | 6.2 (1-11) | 5,000** |
| Maritime Assistant | 6.2 (2-11) | 35,065 |
| Chem. faculty | 7.2 (1-11) | 62,666 |
| Retention online NSO | 7.3 (2-11) | 75,375** |
| Testing center | 7.7 (4-12) | 10,402 |
| TRIO | 7.9 (3-12) | 64,107 |
| Social Sci. faculty | 10.1 (1-12) | 78,747 |

- Increase Counselor position to 1000 hour position (from 599 hour)
- 1.0 FTE Swing Shift Custodial/Maintenance Assistant
- Continuing 1.0 FTE Welding Faculty Position
- Continuing Institutional Research – contracted services with Linn-Benton Community College
- Establish \$20,000 Professional Development Fund for non-represented employees (Service & Supervisory & Confidential Classified)
- Step increases for all eligible employees;
- Increases in fixed cost expenditures, including: utilities and insurance to reflect past spending patterns and projected rate increases.

For budgetary control in 2018-19 and beyond, specific guidelines for control and expenditure of the budget have been instituted. Budget managers will be charged with the responsibility to make budget decisions that reflect attention to economical and effective operations.

Other Funds Significant Items

As established in FY12, timber revenues will be used to service debt associated with the borrowing the College has incurred including refunding debt issuance. The 2018-19 principal and interest is \$676,319. 2018-19 timber tax estimates as provided by the Oregon Department of Forestry for Clatsop State Forests indicate \$1,453,011 is projected for CCC in 2018-19 (Fiscal Year: 2019 report, dated 1/30/18).

Summary

Maintaining fiscal sustainability will require on-going review of revenue and expenditure to monitor projections with timely reaction to material variances. There are reasons for optimism including a strong economy for the next legislative community college funding consideration FY19-21 as well as efforts to increase student enrollment and persistence guided by the 2018-2023 strategic plan.

This document presents a balanced budget for approval by the Budget Committee and the Board of Directors as required by Oregon Local Budget Law.
