Fiscal Year 2015-2016
Budget Message
Clatsop Community College
May 5, 2015

Introduction

As required by Oregon Local Budget Law, this document presents a balanced budget for approval by the Budget Committee and the Board of Directors. This budget is another step in the College's pursuit of a fiscal strategy that addresses both the current economic realities and future needs. Declining student enrollment and the anticipated changes to an outcome based funding formula for State support are the greatest challenges impacting general fund fiscal sustainability.

Achievement Compacts

The Oregon Legislature established in law the goal that by 2025 the State will achieve the following: Forty percent of Oregonians will have earned a bachelor's degree or higher; forty percent will have earned an associate's degree or post-secondary credential; and twenty percent will have earned at least a high school diploma, an extended or modified high school diploma, or the equivalent of a high school diploma as their highest level of educational attainment. To this end, Achievement Compacts have been instituted between the State - as represented by the Oregon Education Investment Board (OEIB) - and the governing boards of all public education institutions.

Specific to the budget committee process, Senate Bill 1581 requires community college boards to enter into Achievement Compacts as part of the statutory budget process outlined in ORS Chapter 294. The intent is that the college's budget committee takes into account the targets and goals set out in the Achievement Compact as they discuss and make recommendations related to the budget. It also provides an opportunity for transparency and public comment as the budget is developed. The budget committee's role is to help align a college's budget with its Compact. The College's 2015-16 Achievement Compact with actual measures for 2013-14 has been completed but not yet adopted by the Board. A draft of the 2015-16 Achievement Compact for the College will be available at the first budget meeting.

We at Clatsop Community College continue the work of aligning our investments with our Mission, Core Themes and the Objectives that we have established as the North Coast's premiere post-secondary institution. We are grateful to the members of the Budget Committee for assisting us in the critical work of student access, success and strengthening the communities that we serve.

2014-15 Budget Adjustments and Fund Overview

General Fund 2015-16 budget development reflects continued efforts to increase revenue and decrease expenditures. Major **2014-15** adjustments include:

Revenue

- Continuation of Performing Arts Center (PAC) Partners facility use agreement
- Oregon Coast Community College sponsorship ended, June 30, 2014 represents lower revenue
- \$45,000 commitment from Healthcare providers
- Rental of Josie Peper Property
- Foundation support of equipment purchases

Expenditure

- In-house project management team for the Patriot Hall Redevelopment Project has temporarily reduced operational costs
- Oregon Coast Community College sponsorship ended, June 30, 2014 represents reduced positions to offset lower revenue which funded positions
- Administrative reorganization to increase efficiencies in various departments

The education and support of students continues to be the College's primary focus. Development and management of the budget is not possible without the ongoing participation of all College faculty and staff. Their recognition of the College's difficult fiscal situation has been critical. Similarly, the staff's willingness to participate in defining, addressing and resolving fiscal issues is acknowledged and appreciated.

Once the budget is approved, ongoing monitoring of revenues and expenditures will be necessary to ensure revenue is sufficient to support the spending level. Improving General Fund reserves is a priority for both fiscal sustainability and to address cash flow requirements. Cash flow borrowing continues to be required to meet needs until property taxes revenues are received in November.

This document provides: actual revenues and expenditures for fiscal years 2012-13 and 2013-14; the 2014-15 adopted budget; and the proposed budget for 2015-16. The College's accounts are maintained in accordance with fund accounting principles to ensure that limitations and restrictions on the College's available resources are observed.

Student Enrollment

Reimbursable SFTE Enrollment		
FY16 - Projected	FY15 - Estimated	FY14 - Actual
1190	1250	1308

The downward trend in reimbursable enrollment began with the severe budget challenges during FY12 and continue with the current year's decline projected at nearly 5 percent.

The forecast for FY16 is an additional 5 percent decrease in total overall reimbursable enrollment.

The funds used by the College include:

- **General Fund (11)** - accounts for all current financial resources not required to be accounted for in other funds. This is the fund in which most operating activities of the College occur.
- **Auxiliary Fund (12)** - accounts for transactions of substantially self-supporting activities that perform services primarily for students, faculty and staff. These activities are financed primarily through user charges and operate in a manner similar to private business enterprises. The College uses the auxiliary fund to account for the operations of its bookstore.
- **Grants/Financial Aid Fund (21)** - accounts for resources that are expended only for operating purposes specified by donors or other outside agencies.
- **Unexpended Plant Fund (41)** - accounts for resources available to finance the acquisition, construction, or improvement of plant assets for the College.
- **Plant Fund Debt Service (42)** - accounts for the payment of principal, interest and other debt service charges incurred in financing College plant assets.
- **Clubs and Organizations Fund (54)** - accounts for resources held by the College as custodian or fiscal agent for students, faculty, staff and other organizations.
- **Non-Plant Debt Service Fund (60)** - is used to accumulate resources for the PERS bonding payment of principal and interest.

Within each fund, budgets are prepared for revenues, expenditures and transfers. Revenues and transfers are presented by object. Expenditures are summarized by cost center organization, function and object.

The Budget Process

In November 2014, the College began preparing for fiscal year 2015-16 budget development with regular meetings with the representative Budget Advisory Committee which includes faculty, staff and student representation. The fiscal planning assumption for State Support has been made using the 2015-2017 Co-Chairs' budget allocating \$535 million to community colleges. The legislative process is on-going and it's reasonable to anticipate the final funding allocation will not be known at the time the 2015-16 budget is adopted by the Board in June. Clatsop receives .74% of the total community college allocation with \$1.980 million estimated annually based on the \$535 million Co-Chair budget. FY2015-16 represents the first year of the 2015-2017 biennium.

To ensure college-wide awareness of our financial position and outlook, College administration has been working in partnership with the entire College staff. These efforts have included campus Budget Forums and the established College collaborative and participatory decision-making channels, including College Council. A fiscal forecasting document that describes revenues and expenditures has been used to describe the current and projected fiscal outlook for the College. The administration has continued to meet with the faculty, classified and supervisory staff members to regularly discuss fiscal information and provide updates as new information becomes available.

Decision-making Framework

The Budget Advisory Committee, established by the President in 2012, is part of the College's participatory governance organizational structure to include all constituent groups in decision-making about College resources and spending. The Committee developed guiding principles and focused decision making by connecting budget discussions to the strategic plan, core values and objectives. The Committee membership includes employees from all representative groups including students. Meetings have concentrated on revenue sources including tuition and fees, State support, property taxes, and timber revenue with key changes anticipated in 2015-16. Expenditures have been reviewed at summary levels as informed by the significant staffing changes and collective bargaining which defines COLA, steps and insurance. Fiscal forecast projections and budget development assumptions continue to be refined based on actual revenue, expenditures and developing information.

Budget Development Guiding Principles

- What's in the best interest of our students?
- Effectiveness and efficiency in decision making
- Evaluate/consider College-wide reduction impact on all aspects of the organization
- Student centric focus/evaluate technology

Budget Advisory Committee Priorities

The Budget Advisory Committee received fourteen funding requests (provided next page). The process to prioritize the requests was enhanced by each submitting sponsor providing a presentation and addressing questions for the committee to better understand and consider the Mission, Strategic Plan, Core Themes and fiscal sustainability. It was apparent, all requests were of high priority while acknowledging the limited available funding based on current assumptions.

The prioritized budget requests provide guidance when additional funding becomes available. For example, if the State support allocation to community colleges exceeds \$535 million and/or new grant funding is received. In addition, the Title III grant application is anticipated to have funding dedicated to student advising and retention.

- Tuition remains at \$99 per credit
- \$250,000 timber revenue (exceeding debt service requirements).

Expenditure

- Steps for eligible employees
- Cost-of-living increase per collective bargaining agreements
- 5 percent increase for medical, dental, vision
- PERS rate continues at 18 percent
- Increases for fixed cost items such as utilities and insurance.

2015-2016 Proposed Budget

To move the College forward in this period of limited resources, proposed revenue in the General Fund for 2015-16 include:

- \$4.240 million property taxes
- \$3.0 million student tuition & fees
- \$1.980 million State appropriations
- \$250,000 in timber revenue
- \$222,000 in other revenue
- \$500,000 beginning fund balance;

Budgeted expenditures in the General Fund reflect the following changes as recommended by the Budget Advisory Committee and/or informed by collective bargaining agreements:

- Budget Reallocation
 - Rain Magazine – Editorial Assistant
 - Art Gallery – Increase Art Gallery Assistant hours
- Math Coordinator (position continuation)
- Cost-of-living increases based on collective bargaining agreement(s)
- Step increases for all eligible employees;
- Non-personnel Adjustments:
 - Increases in fixed cost expenditures, including: utilities and insurance to reflect past spending patterns and projected rate increases.

For budgetary control in 2015-16 and beyond, specific guidelines for control and expenditure of the budget have been instituted. Budget managers will be charged with the responsibility to make budget decisions that reflect attention to economical and effective operations.

Other Funds Significant Items

As established in 2011-12, timber revenues will be used to service debt associated with the \$7.5 million borrowing the College incurred to meet its required match with the State for Article XI(g) bonds. The 2015-16 principal and interest is \$576,368. In addition, the City of Astoria waterline debt service is paid using timber tax proceeds. The 2015-16 principal and interest is \$26,446. Total 2015-16 timber tax requirements are \$602,814. Communications from the State Forester indicate that this source of revenue will increase as inventories are re-built. 2015-16 timber tax estimates as provided by the Oregon Department of Forestry for Clatsop State Forests indicate \$1,453,975 is projected for CCC in 2015-16 (Fiscal Year: 2016 report, dated 2/6/15).

Summary

Achieving fiscal sustainability will be an ongoing challenge; however, there are some reasons for optimism including an improved economy as well as efforts to reduce employer PERS costs. In addition, the Affordable Healthcare Act may provide further opportunities for cost reductions although information is limited at this time.

This document presents a balanced budget for approval by the Budget Committee and the Board of Directors as required by Oregon Local Budget Law.
