**Fiscal Year 2017-2018
Budget Message
Clatsop Community College
May 2, 2017**

Introduction

As required by Oregon Local Budget Law, this document presents a balanced budget for approval by the Budget Committee and the Board of Directors. This budget provides a significant strategic investment addressing both the current economic forecast and future needs. Focused effort to increase student opportunities have improved enrollment trends with forecasted enrollments growing 8 percent in FY18.

2016-17 Budget Adjustments and Fund Overview

General Fund 2016-17 budget development reflects continued efforts to increase revenue and control expenditures. Major **2016-17** adjustments and milestones include:

Revenue

- State support approved at \$550 million for 2015-17 biennium
- On target to reach tuition and fee budget (90% through March 2017)
- Spring 17 Welding support program expansion and meet student enrollment needs
- Higher than anticipated timber proceeds

Expenditure

- In-house project management team for the Patriot Hall Redevelopment Project has temporarily reduced operational costs
- No cash flow borrowing required saving cost of issuance
- 1.0 FTE temporary Welding faculty position, spring 2017-spring 2018

The education and support of students continues to be the College's primary focus. Development and management of the budget is not possible without the ongoing participation of all College faculty and staff. The Budget Advisory Committee has worked diligently to consider strategic planning and financial position to develop the 2017-18 budget.

Once the budget is approved, ongoing monitoring of revenues and expenditures will be necessary to ensure revenue is sufficient to support the spending level. Improving General Fund reserves is a priority for both fiscal sustainability and to address cash flow requirements. Efforts to improve fiscal sustainability have reached a level where cash flow borrowing will not be required signifying sufficient reserves until November property tax payments are received.

This document provides: actual revenues and expenditures for fiscal years 2014-15 and 2015-16; the 2016-17 adopted budget; and the proposed budget for 2017-18. The College's accounts are maintained in accordance with fund accounting principles to ensure that limitations and restrictions on the College's available resources are observed.

Student Enrollment

Reimbursable SFTE Enrollment		
FY18 - Projected	FY17 - Estimated	FY16 - Actual
1393	1290	1253

The upward trend in reimbursable enrollment began with focused efforts on student retention and advising in FY17. Investment in growing programs and new student opportunities including welding, Spanish/ESL and Marine Science Qualified Member of Engineering Department (QMED) project an 8 percent increase in enrollment during FY18. In addition, enrollment opportunities in the new Patriot Hall, opening in summer 2017, provide expanded academic and community education offerings.

The funds used by the College include:

- **General Fund (11)** - accounts for all current financial resources not required to be accounted for in other funds. This is the fund in which most operating activities of the College occur.
- **Auxiliary Fund (12)** - accounts for transactions of substantially self-supporting activities that perform services primarily for students, faculty and staff. These activities are financed primarily through user charges and operate in a manner similar to private business enterprises. The College uses the auxiliary fund to account for the operations of its bookstore.
- **Grants/Financial Aid Fund (21)** - accounts for resources that are expended only for operating purposes specified by donors or other outside agencies.
- **Unexpended Plant Fund (41)** - accounts for resources available to finance the acquisition, construction, or improvement of plant assets for the College.
- **Plant Fund Debt Service (42)** - accounts for the payment of principal, interest and other debt service charges incurred in financing College plant assets.
- **Clubs and Organizations Fund (54)** - accounts for resources held by the College as custodian or fiscal agent for students, faculty, staff and other organizations.

- **Non-Plant Debt Service Fund (60)** - is used to accumulate resources for the PERS bonding payment of principal and interest.

Within each fund, budgets are prepared for revenues, expenditures and transfers. Revenues and transfers are presented by object. Expenditures are summarized by cost center organization, function and object.

The Budget Process

In November 2016, the College began preparing for fiscal year 2017-18 budget development with meetings with the representative Budget Advisory Committee which includes faculty and staff representation. Concurrently, a Strategic Planning Committee has been developing a new five-year strategic plan informing the budget priorities and future goals.

The fiscal planning assumption for state support has been made using the 2017-2019 Governor's flat funding allocation at \$550 million to community colleges. Clatsop anticipates receiving .88% of the total community college allocation with \$2.356 million estimated in FY2017-18; however, the final allocation will be dependent on the legislative session result.

A fiscal forecasting document that describes revenues and expenditures has been used to describe the current and projected fiscal outlook for the College. The administration has continued to meet with the faculty, classified and supervisory staff members to discuss fiscal information and provide updates as new information becomes available.

Decision-making Framework

The Budget Advisory Committee, established by then President Galizio in 2012, is part of the College's participatory governance organizational structure to include all constituent groups in decision-making about College resources and spending. The Committee developed guiding principles and focused decision making by connecting budget discussions to the strategic plan, core values and objectives. The Committee membership includes employees from all representative groups. Meetings have concentrated on revenue sources including tuition and fees, state support, property taxes, and timber revenue with key changes anticipated in 2017-18. Expenditures have been reviewed at summary levels as informed by the significant staffing changes and collective bargaining which defines steps and health benefit insurance. The full-time faculty, part-time faculty and classified employee collective bargaining agreements expire in 2018 or later; therefore, COLA adjustment, as defined by the agreement, are in the proposed budget. Fiscal forecast projections and budget development assumptions continue to be refined based on actual revenue, expenditures and developing information.

The proposed budget includes:

Revenue

- 8 percent increase in tuition and fee revenue
- State support appropriations based on \$550 million biennial budget
- Tuition remains at \$99 per credit
- \$450,000 timber revenue (exceeding debt service requirements).

Expenditure

- Steps for eligible employees
- 5 percent increase for medical, dental, vision
- PERS rate increased to 21 percent
- Increases for fixed cost items such as utilities and insurance.

2017-2018 Proposed Budget

The proposed budget has reason for optimism based on strategic planning and investment in academic, student services and operations. The General Fund resources for 2017-18 include:

- \$4.450 million property taxes
- \$3.543 million student tuition & fees
- \$2.356 million state support appropriations
- \$450,000 in timber revenue
- \$192,600 in other revenue
- \$700,000 beginning fund balance.

We are very pleased to present a proposed budget which includes investment in academic, student services and operations due to the improving fiscal outlook and efforts made by all faculty and staff working to increase student enrollment.

Budgeted expenditures in the General Fund reflect the following changes as recommended by the Budget Advisory Committee and/or informed by collective bargaining agreements:

- Institutional Research – contracted services with Linn-Benton Community College
- 1.0 FTE Maintenance Assistant
- 1.0 FTE Maritime Science Qualified Member of Engineering Department (QMED) Instructor
- 1.0 FTE Spanish/ESL Instructor
- .25 FTE Payroll Increase to 1.0 FTE position
- 1.0 FTE Assessment Testing position (delayed hiring plan)
- Step increases for all eligible employees
- Increases in fixed cost expenditures, including: utilities and insurance to reflect past spending patterns and projected rate increases.

In addition, the following budget investments were determined to be sustainable additions with budget reallocation and/or fee adjustment:

- .23 FTE Nursing Instructor increase to 1.0 FTE
- Part-time Coordinator for EMT/Paramedic
- Part-time Assistant for Historic Preservation
- .25 FTE increase to 1.0 FTE for Fire Science Instructional Assistant
- Part-time Assistant for Maritime Science

For budgetary control in 2017-18 and beyond, specific guidelines for control and expenditure of the budget have been instituted. Budget managers will be charged with the responsibility to make budget decisions that reflect attention to economical and effective operations.

Other Funds Significant Items

As established in 2011-12, timber revenues will be used to service debt associated with the \$7.5 million borrowing the College incurred to meet its required match with the State for Article XI (g) bonds. The 2017-18 principal and interest is \$549,150. In addition, the City of Astoria waterline debt service is paid using timber tax proceeds. The 2017-18 principal and interest is \$26,446. Total 2017-18 timber tax requirements are \$575,596. Communications from the State Forester indicate that this source of revenue will increase as inventories are re-built. 2017-18 timber tax estimates as provided by the Oregon Department of Forestry for Clatsop State Forests indicate \$1,440,205 is projected for CCC in 2017-18 (Fiscal Year: 2018 report, dated 2/18/17).

Summary

Achieving fiscal sustainability will require on-going review of revenue and expenditure to monitor projections with timely reaction to material variances; however, there are reasons for optimism including an improved economy as well as efforts to increase student enrollment reflecting a conservative percentage growth.

This document presents a balanced budget for approval by the Budget Committee and the Board of Directors as required by Oregon Local Budget Law.
