

**Campus Safety Report
Clatsop Community College
2011 Crime Statistics**

Clatsop Community College (CCC) is a public, two-year co-educational institution serving northwest Oregon and southwest Washington since 1958. With three campus centers, Lexington Avenue campus, Marine and Environmental Research Training Station (MERTS) and South County Center in Seaside, the College serves approximately 7,000 full-, part-time and continuing education students.

This report complies with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) and explains how the College reports and handles crime and emergency situations on or near College property. The report is compiled by the Vice President, Finance & Operations from information obtained from the CCC security office, the office primarily responsible for receiving notices of crimes and incidents on campus, the Dean of Students (2009, 2010), Vice President, Academic & Student Affairs (2011) office, and the Human Resources office. Local police agencies are requested, at least once annually, to provide crime statistics for the areas on and adjacent to College properties. CCC is committed to providing a safe and secure environment for students, staff, and guests. Safety is a cooperative effort, and responsibility for the safety of yourself and others is encouraged. We hope you will read this information carefully and use it to make CCC a safe campus to learn and work.

SECURITY/LAW ENFORCEMENT

During regular business hours, several members of the Facilities and Maintenance staff also serve as certified security officers and are responsible for responding to emergency incidents, building alarms and safety hazards. Part-time, certified security officers are responsible for facilities security after regular business hours. Security personnel have no law enforcement authority, but are responsible for contacting the appropriate local law enforcement agencies if a crime occurs or in an emergency. Law enforcement duties are the responsibility of the Astoria Police Department for the Lexington Avenue and MERTS campuses and the Seaside Police Department for South County Center.
