Clatsop Community College Board of Directors Meeting—November 12, 2013 FY 2012-13 Financial Summary — June 30, 2013 (pre-close) FY 2013-14 October Financial Summary

Attached is the Statement of Revenues and Expenditures for FY14 and FY13 by fund source.

June represents twelve months (100%) of the fiscal year. The 2012-13 financial statements are being drafted for the annual audit. CliftonLarsonAllen (CLA) auditors will be on-site November 4-15, 2013. The 2011-12 annual financial statement audit document is available at the following link: https://www.clatsopcc.edu/about-ccc/financial-and-budget-reports/audit

General Operating Fund

(a) Tuition and fee revenue recorded through October FY14 are \$1.260 million, or 33.02 percent of the adopted budget. Tuition and fee revenue is down approximately 6.41 percent when taking into account the 4.3 percent tuition increase from \$94 to \$98 per credit. The tuition and fee budget is \$3.816 million. Actual revenue will be monitored closely and estimates revised based on fall, winter and spring enrollment trends. The timing of non-traditional course registration also impact month to month comparison, so it is too early to conclude overall enrollment changes.

A new section (spreadsheet, pg. 2) has been added to provide more General Fund elements with a budget and actual by-function expenditure detail for instruction, etc. The 2013-14 adopted budget beginning fund balance is \$350 thousand. The actual pre-close FY13 ending fund balance is \$375 thousand exceeding the FY14 estimated beginning fund balance.

- (b) State Appropriations recorded through October FY14 are \$760 thousand. State Appropriations in the FY14 adopted budget is \$1.338 million based on a \$428 million biennium allocation for community colleges. The August 15th Community College & Workforce Development (CCWD) spreadsheet provides funding at \$1.502 million based on the legislative approval of the \$450 million biennium allocation for community colleges. Although this is positive news with nearly \$165 thousand anticipated above the adopted budget CCC only receives .66 percent of the total resources compared to 1.31 percent in FY 2008-09.
- (c) Property taxes recorded through October FY14 are \$522 thousand. The actual 2012-13 property taxes received are \$3.862 million, or 94.25 percent of the \$4.1 million adopted budget.
- (c1) FY14 revenue recorded through October is \$126 thousand.
- (d) Total actual pre-close General Fund expenditures in FY13 are \$9.346 million, or 92.99 percent. Total General Fund expenditures through October FY14 are \$2.838 million, 27.79 percent of the adopted budget.

Grants and Financial Aid Fund

(e) FY14 expenditures through October are \$2.363 million representing 30.98 percent expenditures compared to budget.

Plant Fund

- (f) The Plant Fund shows revenues and expenditures for the current campuses (41).
 - (f1) FY14 expenditures are \$33 thousand through October.
- (g) The Plant Debt Fund expenditure is the semi-annual interest payment related to the \$7.5 million borrowing.

Non-Plant Debt Fund

(h) This fund represents interest earned and debt payments for our PERS debt service.
