

# Clatsop Community College

**Code: 3.450**  
**Adopted: 6/24/93**

## NAMING FACILITIES

The Board of Directors will consider honoring persons who have special significance to students, the College or the community. Honors may be bestowed by the naming of facilities or the dedication of a room or area through placement of a memorial plaque.

The Board is receptive to tying fund-raising activities to the naming of buildings. Buildings may be named after individuals, geographic locations or historical events. All such proposals would be forwarded by the President with his/her recommendations to the Board for approval.

END OF POLICY
