

STAFF CONFLICT OF INTEREST

College employees will not engage in, or have a financial interest in, any activity that raises a reasonable question of conflict of interest with their duties as College staff members. This means that:

1. Employees will not participate for financial remuneration in outside activities for which their position on the staff is used to sell goods, or services to students or patrons;
2. Any device, publication or any other item developed during the employee's paid time shall be College property;
3. Employees will not engage in any work where the source of information concerning customer, client or employer originates from information obtained through the College.
