AP 2345 Public Participation at Board of Education Meetings

Persons may speak to the Board of Education either on an agenda item or on other matters of interest to the public that are within the subject matter jurisdiction of the Board of Education.

Oral presentations relating to a matter on the agenda, including those on the consent agenda shall be heard before a vote is called on the item. Time limits may apply.

Persons wishing to speak to matters not on the agenda shall do so at the time designated at the meeting for public comment.

Those wishing to speak to the Board of Education are subject to the following:

- The Chair of the Board of Education may rule members of the public out of order if their remarks do not pertain to matters that are within the subject matter jurisdiction of the Board of Education or if their remarks are unduly repetitive.
- Non-scheduled substitutes may not speak in place of scheduled speakers unless alternates have been submitted on the original request.
- Speakers shall complete a written request to address the Board of Education at the beginning of the meeting at which they wish to speak.
- The request shall include the person's name, address and name of the organization or group represented, if any, and a statement noting the agenda item or topic to be addressed.
- No member of the public may speak without being recognized by the Chair of the Board of Education.
- Each speaker will be allowed a maximum of 2 minutes per topic. The Board may choose to limit the maximum time allotment for public speakers on any one subject regardless of the number of speakers at any one Board of Education meeting. At the discretion of a majority of the Board of Education these time limits may be extended.
- Each speaker coming before the Board of Education is limited to one presentation per specific agenda item before the Board of Education, and to one presentation per meeting on non-agenda matters.
