General Interest

GRAVEYARD OF THE PACIFIC

\$50

Despite its idyllic setting, the area spanning the NW Oregon and SW Washington waters and coasts is rich in folklore and history. Numerous ships and countless lives have been lost to the treacherous waters of the Pacific Ocean and Columbia River. Mariners and passengers have been swallowed up by the waters for as long as can be remembered. Their spirits, as well as those of early settlers, Native Americans and others on land, are said to linger. The dark skies, wind, storms, and fog add to an atmosphere of mystery, dread, and foreboding. Come explore the reportedly most haunted place in America—the Graveyard of the Pacific! Note: The last class session will involve a field trip to a location(s) in Astoria and will end at 8:00 pm.
