MARCH 30 - JUNE 12

Empowering All Students to  
Reach Their Full Potential

# Thank You

## Clatsop County!

Without your local property tax support and continued belief in education, Clatsop Community College would not exist. On behalf of our students, staff, faculty, and Board of Education, we want to sincerely thank you for investing in your college.

As you look through this class schedule, we encourage you to see if there are courses that could support your goals, spark your interests, or help you learn something new. We would be honored to welcome you to any of our three campuses—the Lexington Campus in Astoria, our South County Campus in Seaside, or our MERTS campus at Tongue Point. You will also find short, practical classes designed to teach specific skills in a short amount of time, beginning on page 18. We hope to see you become part of the Clatsop Community College family.

**With gratitude,**

The Board of Education, our current students,  
our staff and faculty, and President Jarrod Hogue
