## **EXPANDING ACCESS THROUGH HYFLEX LEARNING**

Clatsop Community College is expanding its HyFlex classrooms giving students more ways to learn and connect. By 2026, CCC will operate 14 fully equipped HyFlex classrooms across its campuses, allowing students to attend in person, join live online, or watch recorded sessions later.

This technology enhances access for students balancing work, family, and transportation challenges while ensuring everyone receives the same high-quality instruction. CCC's investment in flexible learning ensures that education fits the lives of today's students—wherever they are.

HyFlex removes barriers for participation. I've been working with students who are now able to join class who couldn't before. This is giving them a chance to succeed.

Kyle Fujisawa, GED Math Instructor & CCC Nursing student

## **Cooperative Work Experience**

Cooperative Work Experience (CWE) is a program that allows students to earn college credit for working in the community in a career area related to the student's academic goals.

Contact the Program Manager of Cooperative Work Experience at mbateman@clatsopcc.edu or (503) 338-2507 for the appropriate CWE class, seminar, and registration information.

**COOPERATIVE WORK EXPERIENCE CWE280** 1-11 CR

Students work in the community in positions which allow them to demonstrate the skills they have gained during their academic training. Depending on the program, students can earn up to 18 credits on the job. Prior to beginning the work experience, students create individual learning objectives in cooperation with an identified Worksite Supervisor. Student learning objectives are reviewed and approved by the student's Faculty Advisor and/or Program Supervisor. Student learning objectives are consistent with program outcomes and guide student learning during the term. Student learning is monitored by Cooperative Work Experience staff. Students participate in regular monitoring meetings. Students submit required paperwork and are evaluated by their Worksite Supervisor. Students assume greater responsibility on the job as the work experience progresses. Registration requires the signature of the Cooperative Work Experience Program Manager

Register for CWE280 by emailing the Program Manager of Cooperative Work Experience at mbateman@clatsopcc.edu.

Prerequisite: None, however, students must have adequate academic training to be successful in an entry-level position.

Co-requisite: None.

Attend class your way: Join in person, participate in live online sessions, or learn on your own schedule. All class materials are made available online. See Page 3 for more information.

CWE281 CAREER READINESS SEMINAR 1 CR

This online career readiness seminar is designed to assist students in obtaining positions consistent with their career goals by challenging students to explore, develop, and take steps toward their own future career plans. Students will experience interactive online training modules to prepare them for the entire journey of choosing the right career, finding a job, and succeeding in the workplace. The training is interactive and focuses on teaching students how to do things for themselves, to build skills and confidence, and empower students to take ownership of their career path development and job search. Innovative simulations provide a safe environment where students can practice for real life situations, such as a job interview, instantly seeing the consequences of their decisions.

**Register for CWE281** by emailing the Program Manager of Cooperative Work Experience at **mbateman@clatsopcc.edu**.
