ENCORE LEARN \$50 / Y

Come join ENCORE Learn, a group providing life-long learning opportunities for students age 50+. ENCORE (Exploring New Concepts Of Retirement Education) is run entirely by its members who decide what they want to learn and how they want to learn it. They conduct their own classes, invite guest speakers, discuss current events, read books and plays, and keep their minds active. ENCORE Learn members may also use the CCC Library, including its interlibrary loan privileges and computers. Anyone interested in the ENCORE Learn experience may enjoy two class sessions at no cost or obligation. Those ready to join will pay an annual membership fee of just \$50 to have access to all classes offered by ENCORE! To request an information packet or become a member, please call 503-338-2408 or email: communityed@clatsopcc. edu. You may also explore the ENCORE Learn website at: encorelearn. net and check out some of our upcoming classes.

CW CLATSOP WORKS •MORE THAN JUST A SUMMER JOB

PAID INTERNSHIPS

Would you like to gain valuable on-the-job training for career success?

Consider Cooperative Work Experience (CWE) or a Clatsop **WORKS** internship!

What is the difference?

A Clatsop Works Internship is an employer-created PAID work experience in the summer to gain skills and experience. It can be in any career field the student chooses. Not for credit / not graded.

CWE is a credit-bearing work experience and partnership between employer, instructor and student. Can be paid or unpaid. CWE is graded and the working experience must fulfill program of study learning objectives in the students' degree program. Typically during the academic year.

Cooperative Work Experience

Cooperative Work Experience (CWE) is a program that allows students to earn college credit for working in the community in a career area related to the student's academic goals.

Contact the Program Manager of Cooperative Work Experience at mbateman@clatsopcc.edu or (503) 338-2507 for the appropriate CWE class, seminar, and registration information.

CWE280 COOPERATIVE WORK EXPERIENCE

Students work in the community in positions which allow them to demonstrate the skills they have gained during their academic training. Depending on the program, students can earn up to 18 credits on the job. Prior to beginning the work experience, students create individual learning objectives in cooperation with an identified Worksite Supervisor. Student learning objectives are reviewed and approved by the student's Faculty Advisor and/or Program Supervisor. Student learning objectives are consistent with program outcomes and guide student learning during the term. Student learning is monitored by Cooperative Work Experience staff. Students participate in regular monitoring meetings. Students submit required paperwork and are evaluated by their Worksite Supervisor. Students assume greater responsibility on the job as the work experience progresses. Registration requires the signature of the Cooperative Work Experience Program Manager.

Prerequisite: None, however, students must have adequate academic training to be successful in an entry-level position.

Co-requisite: None, however, students may choose to take CWE281 Career Readiness Seminar.

obtaining positions consistent with their career goals by challenging students to explore, develop, and take steps toward their own future career plans. Students will experience interactive online training modules to prepare them for the entire journey of choosing the right career, finding a job, and succeeding in the workplace. The training is interactive and focuses on teaching students how to do things for themselves, to build skills and confidence, and empower students to take ownership of their career path development and job search. Innovative simulations provide a safe environment where students can practice for real life situations, such as a job interview, instantly seeing the consequences of their decisions.

The CCC Foundation Presents

Saturday, April 13, 2024 4:30-8 PM Patriot Hall, Lexington Campus

CELEBRATE is an interactive fundraising event to CELEBRATE Learning:

- CCC Faculty & Staff Booths
- Food & Beverages provided by local community partners
- Live Auction with a variety of unique and experiential packages to win!

Because of our partners, sponsors, and community sponsors, through the Magic Opportunity Fund, we are helping students achieve their goals!

2022-23 Magic recipients completed the academic year at 83% compared to 60% for students who did not receive.

"I am deeply touched and encouraged to continue my nursing education. Thanks to your generosity, I will persist fighting for my dream career. Thank you for your support and making a difference in my life."

"Thank you to the CCC Foundation and its donors. By receiving this scholarship, I am able to reduce my workload in my personal life and recenter my focus towards my education and transfer degree.

With hopes of attending graduate school after finishing my bachelor's degree, each moment that I can dedicate to my classes and studying will be instrumental towards my future success.

Thank you again for the assistance that you have provided to my future, and the future of other students who you continue to help with your generosity."
