Empowering All Students to Reach Their Full Potential

A MESSAGE FROM THE BOARD OF EDUCATION

Clatsop Community College

As we head into Winter Term, we want to welcome our students, faculty, and staff and wish everyone a successful and rewarding term.

Clatsop Community College is an important part of our community. Whether you are working toward a degree or certificate, learning a new skill, preparing for a career, or simply taking a class for the enjoyment of learning something new, we are glad you are here.

We also want to recognize our dedicated faculty and staff for the work they do every day to help our students succeed.

Most importantly, we want to thank our Clatsop community for its continued support. Our residents, businesses, organizations, and community partners all play an important role in making the College what it is today. Your support helps keep educational opportunities close to home and strengthens the future of our entire region.

We are proud of Clatsop Community College and the role it plays in our communities. Thank you for being part of it!

Wishing everyone a wonderful and successful Winter Term!

Cooperative Work Experience

Cooperative Work Experience (CWE) is a program that allows students to earn college credit for working in the community in a career area related to the student's academic goals.

Contact the Program Manager of Cooperative Work Experience at **mbateman@clatsopcc.edu** or **(503) 338-2507** for the appropriate CWE class, seminar, and registration information.

CWE-280 COOPERATIVE WORK EXPERIENCE 1-11 CR

Students work in the community in positions which allow them to demonstrate the skills they have gained during their academic training. Depending on the program, students can earn up to 12 credits on the job. Prior to beginning the work experience, students create individual learning objectives in cooperation with an identified Worksite Supervisor. Student learning objectives are reviewed and approved by the student's Faculty Advisor and/or Program Supervisor. Student learning objectives are consistent with program outcomes and guide student learning during the term. Student learning is monitored by Cooperative Work Experience staff. Students participate in regular monitoring meetings. Students submit required paperwork and are evaluated by their Worksite Supervisor. Students assume greater responsibility on the job as the work experience progresses. Registration requires the signature of the Cooperative Work Experience Program Manager.

Register for CWE280 by emailing the Program Manager of Cooperative Work Experience at **mbateman@clatsopcc.edu**.

Prerequisite: None, however, students must have adequate academic training to be successful in an entry-level position.

Co-requisite: None.

CWE-281 CAREER READINESS SEMINAR 1 CR

This online career readiness seminar is designed to assist students in obtaining positions consistent with their career goals by challenging students to explore, develop, and take steps toward their own future career plans. Students will experience interactive online training modules to prepare them for the entire journey of choosing the right career, finding a job, and succeeding in the workplace. The training is interactive and focuses on teaching students how to do things for themselves, to build skills and confidence, and empower students to take ownership of their career path development and job search. Innovative simulations provide a safe environment where students can practice for real life situations, such as a job interview, instantly seeing the consequences of their decisions.

Register for CWE281 by emailing the Program Manager of Cooperative Work Experience at **mbateman@clatsopcc.edu**.

Prerequisite: None

Co-requisite: None

General Interest

OSU MASTER GARDENER **$0**

The Oregon State University (OSU) Master Gardener™ Volunteer Training class is designed to provide in-depth training for local gardeners who wish to become volunteers in Clatsop County to help the OSU Extension Service answer home and community horticulture questions for the public. Course information is founded on research-based subject matter and provides a broad introduction to sustainable gardening and horticulture. Classes are taught by OSU instructors and Extension faculty from across the state, as well as Master Gardener volunteers and industry professionals from Clatsop County.

The 2027 Clatsop County Master Gardener training will be held as weekly classes on Wednesday evenings from 6:00-9:00 pm, from January 6 through April 21, 2027, with occasional additional sessions on Saturdays from 10 am – 1 pm. Most of the classes will be held in person at Clatsop Community College in Astoria, with a few sessions held at different locations in Clatsop County. Please see the attached flyer and schedule for more detail about the class content and schedule. In-person attendance is encouraged, but participants are also able to join remotely via Zoom or watch recordings of the classes later. Classroom instruction will consist of approximately 46 hours of class time. To become certified Master Gardener volunteers, participants will be required to complete 40 hours of class time, deliver a brief final presentation, and complete 40 hours of volunteer service by October 31st, 2027.

Course Fee: The price for this course is $125.00. A limited number of scholarship slots are available at a discounted price of $75.00. There is also a sponsorship pricing option of $175.00, with the additional $50.00 being allocated as funding support for a potential Master Gardener trainee in need. New this year: We are switching to a new, online-only textbook from Washington State University. Participants can choose to pay an additional $25 to receive a physical copy of the old textbook in a binder (the 526-page Sustainable Gardening: The Oregon-Washington Master Gardener Handbook) if they prefer. Online payment is required at the time of registration.

Registration: Registration to join the course is available online at https://beav.es/xs2. Registration assistance is available in person in the Extension Office at 2001 Marine Drive, Suite 210, Astoria, OR 97103. The number of enrollees for the training program is limited to 35, with registrations accepted on a first-come, first-served basis from November 1st through December 1st, 2026.
