What Is Workforce Training?

Workforce training strives to be responsive to the workforce needs of local businesses by providing training opportunities for workers seeking to gain or improve skills, knowledge or understanding of various topics needed in their occupations. Customized training is also available to address business specific needs and is delivered in a flexible format geared to specific schedules and site locations. For example, training topics may include pre-employment orientation, industrial and manufacturing, safety and regulatory, medical, computer, and accounting topics.

Types Of Training Available To You

- Industry-Specific Short Courses & Workshops
- Accounting & Bookkeeping
- Supervisory & Management Training
- Industry Certifications/Recertification & Testing
- Effective Workplace Communications & Team Building
- New Employee Orientation
- Customer Service
- OSHA Safety

The path traveled to start, run and grow a business is filled with a variety of obstacles that often result in costly setbacks, or even failure. Traveling this path alone can be overwhelming and is extremely risky. The Clatsop Community College SBDC counselors have traveled the path and can assist with overcoming the obstacles. The result is lower risk and increased probability of success. We accomplish this by:

- No Lost Business Consulting
- Training Sessions & Materials
- Business Information Referrals

- Learn to speak beginning French conversation and phrases. Students will develop their vocabulary while learning elements of French culture and a bit of the historical background of France. This course also offers credit classes in Spanish conversation.

**FOOD POWER! (HEL085313) (0 Credit)**
- Prerequisite: Advanced placement admission to the nursing program.
- Learn the principles of safely brining, smoking and pickling local seafood along with how to safely package recreationally caught salmon and tuna. This class includes classroom instruction on smoking and pickling seafood at home as well as “hands on” experience led by an OSU Extension seafood product development specialist using home style “Little Owl” smokers. The class will run from 9:00 am to 4:00 pm on Saturday, April 14th, with an hour break for lunch (students can either plan to go to a nearby area restaurant or pack lunch bag). Cost of the class is $50.00 payable to the instructor at the first class. For registration and information, please contact instructor Carol Black at 503-370-2675 or Lifeskillsacademy@comcast.com.

**FRENCH LANGUAGE (LA060101) (0 Credit)**
- If you are of Finnish descent and you want to learn the language of your ancestors, then you'll enjoy this class! Learn the Finnish alphabet and the sounds of the Finnish language. The course is designed for people traveling to Finland and anyone who would like to learn survival phrases and conversation in the Finnish Language. Learn Finnish cooking recipes too! Please purchase the required textbook, “Finnish for Foreigners I” by Maja Hellfritzd-Aalde, at least two weeks before class.

### General Interest

**MEMOIR WRITING**
- The art of turning memories into stories and books, is tough to land, like a slippery fish. Instructor Becky Hart will teach the basics of memoir writing.
- **WRITING MEMOIRS & LIFE STORIES (PER013509) (0 Credit)**
- Start Date: APRIL 4
- End Date: JUNE 6

**FOOD POWER!**
- All we eat, healthy, tasty food at reasonable prices, but how do we find it in the maze of “organic” versus “natural” versus “fake” versus “fast” versus “slow” and “processed” versus “fresh”? Complex labels omit vital information. Commercials entice us with foods that doctors forbid us to eat. “Health food” seems expensive; “fast food” is cheap. “Food Safety” is a legal issue. Why can’t we just eat? Why is food political and complicated? What can we do about it? This class takes a broad view of our most important consumer item, encouraging discussion and research through articles and films. Class will be held at the Title III Lifeskills Academy, 91885 Young’s River Road, Astoria. Potluck Lunch. Cost of the class is $75 payable to the instructor at the first class. For registration and information, please contact instructor Carol Black at 503-370-2675 or Lifeskillsacademy@comcast.com.

Here To Help You

Clatsop Economic Development Resources (CEDR)

Does solving your business challenges seem like an impossible task?

The mission of CEDR is to deliver business-driven economic development services to create, grow, and retain businesses in Clatsop County. CEDR covers all aspects of your business. We cycle-from concept to expansion to exit. CEDR provides confidentiality and free business counseling, specialized services, workshops and training, small business development, community planning, site analysis, market research, new business development, assistance, and high quality and low cost business solutions.

Small Business Management Program (SBM)

Since 1979, the Small Business Management Program has assisted small business owners to achieve their goals through improved organization, management, operations and marketing of their businesses. Instruction is practical and immediately usable to every business, no matter how old, how large, or how small.

Small Business Development Center (SBDC)

The path traveled to start, run and grow a business is filled with a variety of obstacles that often result in costly setbacks, or even failure. Traveling this path alone can be overwhelming and is extremely risky. The Clatsop Community College SBDC counselors have traveled the path and can assist with overcoming the obstacles. The result is lower risk and increased probability of success. We accomplish this by providing:

- No Lost Business Counseling
- Training Sessions & Materials
- Business Information Referrals

Workforce Training Courses - Spring 2012

COTTON INDUSTRY STARTUPS (BUS575214) (0 Credit)
Earn income doing what you enjoy, setting your own hours and goals, and serving your community! How? COTTON INDUSTRIES, the age-old economic independence and local community resource, are making a strong comeback in the 21st century! Refreshing new clothes out of clothes, setting up backyard gardens, making soap, building chicken "tractors", or crafting leather — the possibilities are limited only by your imagination. Start small with minimal investment and learn how to grow your home-based business with a local focus. Instructor Karen Black was a co-manager for small business startups and financial troubleshooting for years. Students will learn the basics of market research, planning, organizing, management, and accounting. Participating small businesses offer discounts and coupons available. Pay at the first class. Classes are held at the TaiCorb Lifeboat Academy, 91568 Youngs River Road, Astoria. Please register by phoning 503-325-6886 or e-mailing LifeboatAcademy@aol.com. FOODPOWER! (HEL0535) (0 Credit)
We all want healthy, tasty food at reasonable prices, but how do we find in the maze of “organic” versus “natural” versus “sale” versus “fast” versus “slow” and “processed” versus “fresh”? Complex labels on food information. Commercials entice us with foods that doctors forbid us to eat. “Health food” seems expensive, “fast food” is cheap. “Food Safety” is a legal issue. Why can’t we just eat? Why is food political and complicated? What can we do about it? This class takes a broad view of our most important consumer item, encouraging discussion and research through articles and films. Class will be held at the Titanic Lifeboat Academy, 91868 Young’s River Road, Astoria. Potluck Lunch. Cost of the class is $35, payable to the instructor at the first class. For registration and information, please contact instructor Callie Black at 503-325-6886 or LifeboatAcademy@aol.com.

Most insurance companies require that a refresher course be taken every three years to continue to receive the discount, or every two years if you are 70 or over.

This course explains the changes that occur in vision, hearing, and reaction time as we age, and provides useful driving safety tips to handling these changes.
