“The personal interest shown in my education along with the close knit community of faculty, staff, and students have provided a unique experience I hadn’t previously considered playing such an important role in my education. I hope others are able to take away what I have and can realize what we really have on top of that hill.”

Tad Falk – Transfer

“My older sister graduated from CCC and inspired me to do the same. I had a desire to do well and gain an education, and CCC offered that at a smaller cost with good resources available.”

Kimberly Murry – Fire Science
Message from the President

Resilient: adjective. Springing back; rebounding. Recovering readily from adversity. From the Latin resilire – to spring back.

Reflecting upon the information contained in this year’s Report to the Community, I can think of few words that better capture Clatsop Community College, the Foundation, and the region that we so proudly serve.

I invite you to take a few moments to review the contents of this Report. I believe that you will be proud of all that we have accomplished together as a community in a very challenging economy.

For Clatsop Community College is more than ever an enterprise of, by, and for the citizens of Clatsop County and the North Coast. Certainly one indicator of this is that approximately 85% of our general fund revenue came from local sources. This amount will increase to more than 90% in the coming year.

As you will no doubt recognize in the pages that follow, it is remarkable and inspiring to witness how many citizens, businesses, and civic-minded leaders have contributed financial and other important resources to help CCC provide educational opportunities for the people of our region.

Everyone at Clatsop Community College is grateful for the community investments that help sustain our mission of creating opportunities for our students.

I hope that you find this Report both informative and engaging.

See you on campus!

Dr. Larry Galizio

Mashoor El-barati – Business
"Being a student at CCC is one of the best decisions I ever made. I encourage anyone who wants a good education to come to Clatsop Community College."
The Clatsop Community College Foundation was established in 1960 as an independent, nonprofit, community-based organization with the purpose of creating resources to support higher education within Clatsop County. The CCC Foundation is managed by a volunteer board of directors charged with generating funds, maximizing investment opportunities, and expanding resources.

2012 Arts & Experience Dinner & Auction
The Foundation re-instituted its signature event with a new twist in 2012. In addition to the traditional auction offerings of fine art, CCC supporters created participatory experiences to showcase various college programs and the personal talents of those associated with the college. More than $89,000 was generated to support the students and programs of CCC.

A capacity audience of 200 enjoyed a delicious meal, bid enthusiastically for impressive artwork and inspiring experiences, and fully funded an ambitious list of projects that will enhance workforce training in automotive technology, fire science and maritime science. In addition, event proceeds allowed the Foundation to fund $300 summer scholarships for up to 26 new high school graduates.

The Foundation expresses its deep appreciation to the event’s signature sponsor - Pacific Power; to its Presenting Sponsors – The Lehman Family Trust and The Van Dusen Family; and to its 22 additional Supporting, Partner and Friend sponsors as well as all who attended.

Victor Campbell Estate Swells Scholarship Funding
The CCC Foundation’s ability to provide scholarship support grew dramatically in 2012 with a $350,670.92 bequest from the estate of Victor Campbell, a faithful contributor to the CCC Foundation during his lifetime. Mr. Campbell was also author of a book of poetry titled The Fire Harvest included in the collection of the CCC Library.

Foundation Grants & Major Gifts Boost College Programs and Support Students
In cooperation with Clatsop Community College, the CCC Foundation received the following grants during FY2011-2012:
- Ann & Bill Swindells Foundation - $7,500 to purchase equipment for the Maritime Science program
- Autodesk Inc. - $1,500 to purchase equipment for the Historic Preservation & Restoration program
- The Autzen Foundation - $5,000 to support the Bridging Cultures initiative. This project promoted Latino culture, sponsoring a performance by Teatro Milagro and expanding the CCC Library’s collection of materials in Spanish.
- The Juan Young Trust - $3,000 to support childcare services for low income students
- The Robert D. & Marcia Randall Charitable Trust - $2,000 to support childcare services for low income students
- Columbia Memorial Hospital – $50,000 to support the CCC Nursing program
- Providence Health & Services - $25,000 to support the CCC Nursing program
- An anonymous foundation - $25,000 to support the CCC Nursing program
- The Bloomfield Family Foundation - $1,000 to help repair the historic Estey Opus 1429 pipe organ in the college’s Performing Arts Center
- The Betty Gray Early Childhood Development Endowment Fund at The Oregon Community Foundation - $3,600 supporting three scholarships

CCC Foundation Partners with Community
Creative new community partnerships resulted in additional support for CCC students and the Clatsop County community:
- The Foundation has joined with community organizations that use the CCC Performing Arts Center (PAC) to help maintain this valuable cultural resource. In addition to a grant dedicated to organ repair, the Foundation hosts the “Save the PAC Fund.” All donations are tax-deductible and restricted to this important community-based project.
- With a lead gift from the Pacific Power Foundation and a matching gift from Seaside Scholarships, Inc., the Foundation has created a new $10,000 scholarship fund dedicated to graduates of Seaside High School.
You Can Help

Your generous gift to the CCC Foundation can help sustain our college and promote the success of its students. Consider a gift today to the CCC Scholarship Fund or the Fund for Excellence that helps the Foundation respond to the greatest current needs of CCC. Your planned gift through a will or other estate plan will create a lasting legacy and support higher education in Clatsop County for years to come.
