## *SMOKING POLICY*

For the benefit of our college community, the college will promote a healthy workplace, learning environment, and lifestyle for its employees and students by providing resources and education for smoking cessation.

In compliance with Oregon Clean Air Act, smoking on the Clatsop Community College campus will be allowed only in designated areas. Smoking will not be allowed in college buildings, college vehicles, in college classes or at any scheduled college meetings, and not within 25 feet of any entrance, window, or air intake of any campus building.

The college will provide designated smoking areas on campus that are conveniently located and appropriately designed so as to minimize the impact of smoking on individuals who do not smoke.
