

August 3, 2015

Dear Business Manager,

The Clatsop Community College Foundation is partnering with the College's Associated Student Government and several student clubs to develop and implement a CCC student discount program.

We believe the Bandits Discount Program will help businesses and student alike. Businesses will have greater visibility within the student population, and students who struggle financially will receive support from their community as they pursue their education. The Bandits Discount Program will connect and strengthen our community.

On September 28, CCC will welcome the entering class of 2015 as well as returning students during Student Welcome Week. Students will be made aware of the Bandits Discount Program and receive information provided by program participants. The Bandits Discount Program webpage (visit www.clatsopcc.edu/community/bandits-discount-program) will be updated and can provide a link to your business website.

Register by September 25 using the attached form to enjoy maximum exposure for your business with CCC students.

If you have any questions regarding the Bandits Discount Program, need additional information, or would like to speak with a Foundation representative, please contact Patricia Warren at 503-338-2306 or pwarren@clatsopcc.edu.

Thank you for considering this opportunity to help Clatsop Community College students.

With gratitude,

*The Clatsop Community College Foundation
Board of Directors*

Clatsop Community College Bandits Discount Program

The Associated Student Government of Clatsop Community College, in cooperation with the Clatsop Community College Foundation, has created a unique opportunity for local businesses and the College community to connect. Our goal is to bring awareness of local businesses to the campus, and to bring students to your business.

The CCC Foundation will provide the following to each participating business:

- A Bandits Discount Program participant static sticker for your window (4"x4").
- Listing on the Foundation/College website with link to your business website while you are an active participant.
- Recognition for the year in which you are an active Program participant in the Annual Report to the Community mailed to every household in Clatsop County.
- Distribution of business-provided information on campus and during Student Welcome Week (September 28-October 2, 2015) while you are an active Program participant.

By registering as a Bandits Discount Program participant, you agree to:

- Provide an actual discount for the price of goods or services normally offered to the general public that is valid **for the academic year ending June 30, 2016**. You will be asked annually if you wish to renew.
- Display the Bandits Discount Program static sticker in a readily visible public location as your business allows.
- Exclude tobacco products, alcohol, firearms or gambling-related services from the Bandits Discount Program.

Participation in the Bandits Discount Program is free and will be renewed annually. Participation does not imply any endorsement by the Associated Student Government, the College or the Foundation of the goods or services offered or of any participating business.

Clatsop Community College Bandits Discount Program
