Clatsop Community College
1653 Jerome Avenue
Astoria, OR 97103
Clatsop Community College is a two-year public college accredited by the Northwest Commission on Colleges and Universities. In compliance with the national Student Right-to-Know Act, and in order to assist you in evaluating Clatsop Community College’s programs and services, the following information on graduation rates as well as licensure/certification passage rates is produced annually.

Of the 123 full-time, first-time, degree or certificate-seeking students enrolled Fall Term, 2007, 31 students (25%) completed a degree/certificate program by the end of summer term, 2010, (three years or 150% of the standard degree completion time for full-time college students enrolled in 12 or more credits). In addition, 31 students (25%) prepared at Clatsop for successful transfer to another college prior to graduation. Twenty-two of the students (17%) were still enrolled at the College.

The combined percentage of students who completed degrees/certificates, successfully transferred to another college, or who were still enrolled was 67%. Of the 33% who did not graduate, transfer, or remain enrolled, an unknown percentage may have, as a result of coursework taken at the College, obtained employment prior to graduation in high demand industries where there was a labor shortage.

It is also important to know how well the College prepares students to take the licensure/certification exams required for entrance into some occupations. Of the programs available at Clatsop Community College, those requiring or having available such external licensing exams are the Maritime Programs: Radar Observer and Coast Guard License Training; Nursing, EMT, and Welding. Following is a graph indicating the pass rate for exams taken by students in each program.

**Data sources:**
Data on Clatsop’s graduation rates; transfer rates, and number of students still enrolled - 2010 IPEDS Graduation Rate Survey. Graduation rate is reported three years after expected graduation term.

**Licensure/Certification results:**
- **Nursing, EMT,** —Oregon State Board of Nursing (OSBN), National Registry of Emergency Medical Technicians
- **Radar Observer Program, Marine License Training Program**—United States Coastguard, Regional Exam Center (REC)
