**Fiscal Year 2013-2014
Budget Message
Clatsop Community College
May 7, 2013**

Introduction

As required by Oregon Local Budget Law, this document presents a balanced budget for approval by the Budget Committee and the Board of Directors. This budget is a step in the College's pursuit of a fiscal strategy that addresses both the current economic realities and future needs. Declining student enrollment and lower State Support provided through the funding formula coupled with increasing costs of the Public Employees Retirement System (PERS) are the greatest challenges impacting General Fund fiscal sustainability.

Achievement Compacts

The Oregon Legislature established in law the goal that by 2025 the State will achieve the following: Forty percent of Oregonians will have earned a bachelor's degree or higher; Forty percent will have earned an associate's degree or post-secondary credential; and 20 percent will have earned at least a high school diploma, an extended or modified high school diploma, or the equivalent of a high school diploma as their highest level of educational attainment. To this end, Achievement Compacts have been instituted between the State - as represented by the Oregon Education Investment Board (OEIB) - and the governing boards of all public education institutions.

Specific to the budget committee process, Senate Bill 1581 requires community college boards to enter into Achievement Compacts as part of the statutory budget process outlined in ORS Chapter 294. As stated in a handout from Governor Kitzhaber's Office, "The intent is to insure that the college's budget committee is taking into account the targets and goals set out in the achievement compact as they discuss and make recommendations related to the budget. It also provides an opportunity for transparency and public comment as the budget is developed. The budget committee's role is to help align a college's budget with its Compact, but a budget committee does not have the authority to revise or approve a college's Compact."

We at Clatsop Community College continue the work of aligning our investments with our Mission, Core Themes and the Objectives that we have established as the North Coast's premiere post-secondary institution. We are grateful to the members of the Budget Committee for assisting us in the critical work of student success and strengthening the community that we serve.

2012-13 Budget Adjustments and Fund Overview

General Fund 2013-14 budget development reflects continued efforts to increase revenue and decrease expenditures. Major **2012-13** adjustments were as follows:

Revenue

- Lease of Josie Peper building
- Maritime Fire & Safety Association Conference
- \$65,000 commitment from Healthcare providers
- \$20,000 commitment from Foundation

Expenditure

- \$235,000 expenditure reduction
- Administrative reorganization to increase efficiencies in various departments.

The education and support of students continues to be the College's primary focus. However, responding fully to these priorities remains a challenge. Development and management of the budget is not possible without the ongoing participation of all College faculty and staff. Their recognition of the College's difficult fiscal situation has been critical. Similarly, the staff's willingness to participate in defining, addressing and resolving fiscal issues is acknowledged and appreciated.

Once the budget is approved, ongoing monitoring of revenues and expenditures will be necessary to ensure revenue is sufficient to support the spending level. Improving General Fund reserves is a priority for both fiscal sustainability and to address cash flow requirements.

This document provides: actual revenues and expenditures for fiscal years 2010-11 and 2011-12; the 2012-13 adopted budget; and the proposed budget for 2013-14. The College's accounts are maintained in accordance with fund accounting principles to ensure that limitations and restrictions on the College's available resources are observed.

Student Enrollment

Reimbursable SFTE Enrollment		
FY14 - Projected	FY13 - Estimated	FY12 - Actual
1354	1354	1478

Tuition and fee revenue has been revised in the FY14 proposed budget to reflect the 8.4 percent reduction from FY12 actual student enrollment.

The funds used by the College include:

- **General Fund (11)** - accounts for all current financial resources not required to be accounted for in other funds. This is the fund in which most operating activities of the College occur.

- **Auxiliary Fund (12)** - accounts for transactions of substantially self-supporting activities that perform services primarily for students, faculty and staff. These activities are financed primarily through user charges and operate in a manner similar to private business enterprises. The College uses the auxiliary fund to account for the operations of its bookstore, cafe, vehicles and other similar activities.
- **Grants/Financial Aid Fund (21)** - accounts for resources that are expended only for operating purposes specified by donors or other outside agencies.
- **Unexpended Plant Fund (41)** - accounts for resources available to finance the acquisition, construction, or improvement of plant assets for the College.
- **Plant Fund Debt Service (42)** - accounts for the payment of principal, interest and other debt service charges incurred in financing College plant assets.
- **Clubs and Organizations Fund (54)** - accounts for resources held by the College as custodian or fiscal agent for students, faculty, staff and other organizations.
- **Non-Plant Debt Service Fund (60)** - is used to accumulate resources for the PERS bonding payment of principal and interest.

Within each fund, budgets are prepared for revenues, expenditures and transfers. Revenues and transfers are presented by object. Expenditures are summarized by cost center organization, function and object.

The Budget Process

In November, 2012, the College started preparing for 2013-14 budget development with regular meetings with the Budget Advisory Task Force which includes representation from faculty, staff and students. The fiscal planning assumption for State Support has been made using the Governor's biennial budget of \$428 million for community colleges. Clatsop receives .63% of the total allocation with \$1.338 million anticipated in FY14 based on a \$428 million allocation. The \$300 thousand increase from FY13 provides funding for the 5% PERS retirement cost escalation. Although there may be some PERS reform relief with the passage of SB 822, no reductions have been assumed in the proposed budget.

To ensure college-wide awareness of the need to make expenditure reductions, College administration has been working in partnership with the entire College staff. These efforts have included campus meetings and the established College collaborative decision-making channels, including College Council. A fiscal forecasting document that describes revenues and expenditures has been used to describe the current and projected fiscal outlook for the College. The administration has continued to meet with the faculty, classified and supervisory staff members to discuss fiscal information as it has become available.

Decision-making Framework

The President established a Budget Development Advisory Task Force in 2012 as part of participatory governance and to inform all constituent groups about the College resources and spending. The Task Force membership includes employees from all representative groups. Meetings have concentrated on revenue sources including tuition and fees, state support, property taxes, and timber taxes with key changes anticipated in 2013-14. Expenditures have been reviewed at summary levels as informed by the significant staffing changes which have reduced full-time faculty from 38 to 27 positions. Fiscal forecast projections and budget development assumptions continue to be refined as new information is received.

The proposed budget includes:

Revenue

- Stable student enrollment assumption
- State appropriations based on Governor's \$428 million biennial budget
- \$4 per credit tuition increase to \$98 per credit, effective summer term
- \$30 per term consolidated fee with the elimination of the graduation fee as well as the \$10 per term registration fee
- \$42,500 timber tax (exceeding debt service requirements).

Expenditure

- Steps for eligible employees
- No furlough days
- No COLA (pending negotiations)
- No change in medical, dental, vision (pending negotiations)
- PERS rate increase from 16.9% to 22%
- Increases for fixed cost items such as utilities and insurance.

2013-2014 Proposed Budget

To move the College forward in this period of greatly restrained resources, proposed revenue increases in the General Fund for 2013-14 include:

- A Board approved \$4 per credit increase in tuition (\$94 per credit hour to \$98 per credit hour) beginning with summer term, 2013;

Budgeted expenditures in the General Fund reflect the following changes:

- Salaries and benefits
 - Increase in PERS rate from 16.9% to 22%. The impact to General Fund is \$220 thousand based on current payroll. The recent PERS reform bill (SB 822) passage in the House and Senate rate reduction are not known at this time.
 - Step increases for all eligible employees;
- Non-personnel Adjustments:

- Increases in fixed cost expenditures, including: utilities and insurance to reflect past spending patterns and projected rate increases.

For budgetary control in 2013-14 and beyond, specific guidelines for control and expenditure of the budget have been instituted. Budget managers will be charged with the responsibility to make budget decisions that reflect attention to economical and effective operations.

Other Funds Significant Items

As established in 2011-12, timber revenues will be used to service debt associated with the \$7.5 million borrowing the College incurred to meet its required match with the State for Article XI(g) bonds. The 2013-14 principal and interest is \$580,056. In addition, the City of Astoria waterline debt service is paid using timber tax proceeds. The 2013-14 principal and interest is \$26,446. Total 2013-14 timber tax requirements are \$606,502. Communications from the State Forester indicate that this source of revenue will increase as inventories are re-built. 2013-14 timber tax estimates as provided by the Oregon Department of Forestry for Clatsop State Forests indicate \$815,273 is projected for CCC in 2013-14.

Summary

Achieving fiscal sustainability will be an ongoing challenge; however, there are some reasons for optimism including an improved economy as well as efforts to reduce employer PERS costs. In addition, the Affordable Healthcare Act may provide further opportunities for cost reductions although information is limited at this time.

This document presents a balanced budget for approval by the Budget Committee and the Board of Directors as required by Oregon Local Budget Law.

JoAnn Zahn
Vice-President, Finance & Operations
Budget Officer
