### What Is Workforce Training?

Workforce training strives to be responsive to the workforce needs of local businesses by providing training opportunities for workers seeking to gain or improve skills, knowledge or understanding of various topics needed in their occupations. Customized training is also available to businesses based on specific needs and is delivered in a flexible format geared to specific schedules and site locations. For example, training topics may include pre-employment orientation, industrial and manufacturing, safety and regulatory, medical, computer, and hospitality service. You can increase your business capacity to utilize specialized training with services such as train-the-trainer workshops, job analysis, needs assessment, pre-employment preparation, refresher and skill upgrading, and consulting services. For more information call 503-338-2408.

#### **Programs That Are** Here To Help You

**Clatsop Economic Development Resources** (CEDR)

Does solving your business challenges seem like an impossible task?

The mission of CEDR is to deliver business-driven economic development services to create, grow, and retain businesses in Clatsop County. CEDR covers all aspects of your business' life cycle-from concept to expansion to exiting. CEDR provides confidential and free business counseling, specialized services, workforce recruitment and training. CEDR is a onestop, high quality and low cost business solution.

South County Campus 503-338-2402

#### Small Business Management Program (SBM)

Since 1979, the Small Business Management Program has assisted small business owners to achieve their goals through improved organization, management, operations and marketing of their businesses. Instruction is practical and immediately usable, tailored to each business's individual needs. If you're a business owner who is willing to commit time for classes and on-site visits and willing to try and accept new ideas, then this program is for you!

You'll benefit from monthly classroom sessions covering specific topics, group discussion and an exchange of ideas with other business owners; monthly visits to your business by the SBM instructor for personalized and confidential application of classroom topics and subjects of your choosing, and an analysis of your business to help you develop a sound plan for growth, expansion and greater profits.

South County Campus 503-738-2417

#### **Small Business Development Center** (SBDC)

The path traveled to start, run and grow a business is filled with a variety of obstacles that often result in costly setbacks, or even failure. Traveling this path alone can be overwhelming and is extremely risky. The Clatsop Community College SBDC counselors have traveled the path and can assist with overcoming the obstacles. The result is lower risk and increased probability of success. We accomplish this by providing:

- No Cost Business Consulting

- Training Sessions & Materials
- Business Information Referrals
