

Clatsop Community College
Board of Directors Meeting– June 11, 2013
FY 2011-12 Financial Summary – June 30, 2012
FY 2012-13 May Financial Summary

Attached is the Statement of Revenues and Expenditures for FY13 and FY12 by fund source.

May represents eleven months (91.7%) of the fiscal year 2012-13. The 2011-12 annual financial statement audit document is available at the following link: <https://www.clatsopcc.edu/about-ccc/financial-and-budget-reports/audit>

General Operating Fund

(a) Tuition and fee revenue recorded through May FY13 are \$3.529 million, or 89.06 percent of the adopted budget. Tuition and fee revenue is down approximately 10 percent when taking into account the 4.44 percent tuition increase from \$90 to \$94 per credit. The tuition and fee revenue estimate has been revised down from \$3.962 million to \$3.575 million due to the enrollment decline. The timing of non-traditional course registration also impact month to month comparison, so it is too early to conclude overall enrollment changes. Technology fee continues at \$10 per credit hour and the college continues imposing a registration fee of \$10 per student each term.

(b) State Appropriations recorded through May FY13 are \$755 thousand. State Appropriations in the FY13 adopted budget is \$.971 million in the second year of the 2011-13 biennium. The January 15, 2013 CCWD funding worksheet increases the FY13 state support estimate to \$1.021 million. State support is approximately 10 percent of general fund resources. The final FY13 payment will be received in July.

(c) Property taxes recorded through May FY13 are \$3.6 million, 88 percent of the adopted budget. The actual 2011-12 property taxes received are \$3.567 million, or 91.24 percent of the \$3.9 million adopted budget.

(c1) Other revenue has become a very important alternative revenue with significantly lower State Appropriations. FY13 revenue recorded through May is \$435 thousand. Other revenue includes Allied Health Program Support at \$85 thousand, partnership revenue from Oregon Coast Community College and SAIF dividend at \$140 thousand, facility use lease/rent at \$25 thousand and miscellaneous revenues such as grant management overhead. Timber tax revenue is also accounted for in this category; however, no general fund portion will be allocated until debt service costs are met. FY12 general fund timber tax revenue was \$62 thousand.

(d) Total actual General Fund expenditures in FY12 are \$9.441 million, or 93.99 percent. General operating spending has been reduced by more than \$970 thousand compared to June 30, 2011. Total General Fund expenditures through May FY13 are \$8.389 million, a 1.31 percent decrease from May FY12.

Grants and Financial Aid Fund

(e) The Grants and Financial Aid Fund (21) FY12 expenditures are \$7.444 million through June representing summer, fall, winter and spring term activities. An increase in the Pell Grant award as well as serving Oregon Coast Community College financial aid students represent the significant increase in

FY12. FY13 expenditures through May are \$7.281 million representing 94.42 percent expenditures compared to budget.

Plant Fund

(f) The Plant Fund shows revenues and expenditures for the current campuses (41).

(f1) FY12 receipts are for interest earned on accounts and timber revenues. Expenditures are for general campus capital construction and networking items related to the current campuses. FY13 expenditures are \$179 thousand through May.

(g) The Plant – Debt Fund expenditure is the semi-annual interest payment related to the \$7.5 million borrowing.

(h) These items display expenditures for the new campus development.

(h2) Line 4019 represents the funds spent on the JCRP project. Final project accounting has been completed.

Non-Plant Debt Fund

(i) This fund represents interest earned and debt payments for our PERS debt service.
