### Programs That Are Here To Help You

#### Clatsop Economic Development Resources (CEDR)

Does solving your business challenges seem like an impossible task?

The mission of CEDR is to deliver business-driven economic development services to create, grow, and retain businesses in Clatsop County. CEDR covers all aspects of your business' life cycle-from concept to expansion to exiting. CEDR provides confidential and free business counseling, specialized services, workforce recruitment and training. CEDR is a one-stop, high quality and low cost business solution.

South County Campus 503-338-2402

#### Small Business Management Program (SBM)

Since 1979, the Small Business Management Program has assisted small business owners to achieve their goals through improved organization, management, operations and marketing of their businesses. Instruction is practical and immediately usable, tailored to each business's individual needs. If you're a business owner who is willing to commit time for classes and on-site visits and willing to try and accept new ideas, then this program is for you!

You'll benefit from monthly classroom sessions covering specific topics, group discussion and an exchange of ideas with other business owners; monthly visits to your business by the SBM instructor for personalized and confidential application of classroom topics and subjects of your choosing, and an analysis of your business to help you develop a sound plan for growth, expansion and greater profits.

South County Campus 503-338-2342

#### Small Business Development Center (SBDC)

The path traveled to start, run and grow a business is filled with a variety of obstacles that often result in costly setbacks, or even failure. Traveling this path alone can be overwhelming and is extremely risky. The Clatsop Community College SBDC counselors have traveled the path and can assist with overcoming the obstacles. The result is lower risk and increased probability of success. We accomplish this by providing:

- No Cost Business Consulting
- Training Sessions & Materials
- Business Information Referrals

Lisa Nyberg, Program Director, 503-338-2480

Career Coaches: Elizabeth Hayes, 503-338-2433

and David Ramsey, 503-338-2500

Clatsop Community College students looking for a job, researching a career, or polishing a resume can now find help in one place. The Career Center services are available to all interested students.

Career Center staff seek to develop a network of workforce partnerships including regional business and industry entities, Worksource Oregon, the Oregon Employment Department, and MTC Works. Services to veterans will also be a focus of this project.

The CCC Career Center is also available to all Clatsop County employers to post open positions, and to utilize the "Employer Office" for candidate interviews.

### AARP DRIVER SAFETY COURSE

This course explains the changes that occur in vision, hearing, and reaction time as we age, and provides useful driving safety tips to handle these changes. Designed for drivers age 50 and older who wish to participate in discussions surrounding safety and aging. One does not have to be an AARP member to take this class. Oregon State law provides a discount on your auto insurance premium for completing this course. If you have already taken this or a similar course, most insurance companies require a refresher course be taken every three years to continue to receive the discount, or every two years if you are 70 or over. Cost of the class is \$12 for members and \$14 for non-members, to be paid to the instructor at class. Please call 503.338.2408 to register.

# Career Pathways

**Four new Career Pathway Certificate Programs will be available at CCC beginning in Winter term 2013:**

- Entry Level Accounting Clerk: A 14 credit program focusing on entry level accounting, computer and 10-key skill building.
- Accounting for Business Management: A 15 credit program providing instruction in accounting, payroll and business tax.
- Communications in Business: A 13 credit program emphasizing business English, composition and human relations skills.
- Entrepreneurship: A 22 credit program addressing business management, marketing, accounting, payroll and business tax.

**Career Pathway Certificate Programs** enable individuals to gain employment advantages in a targeted occupation or industry. By completing a Career Pathways Certificate Program at Clatsop Community College, students increase their qualifications for work opportunities, and then may advance over time to successively higher levels of education and employment.

**Career Pathways** provide avenues for career advancement for current workers, reentry into the job force for displaced workers, and opportunities for new entrants into the labor market. By targeting jobs of importance to the local economy, the Career Pathways Certificate Program also provides a supply of qualified workers for area employers.

# CCC Small Business Management Program Adds New Resources

photo courtesy of David rr Homer

Clatsop Community College appointed Forrest Koch, CPA, as the facilitator for its Small Business Management Program. Mr. Koch has extensive financial and business management experience. His specialties include analysis, problem-solving, decision-making, working in teams, and developing accurate financial forecasts. His experience also includes an emphasis in strategic organizational planning.

The Clatsop Community College Small Business Management Program has been part of Clatsop Community College for over 25 years. The program is part of the College's Small Business Development Center (SBDC) that provides no-cost CONFIDENTIAL business consulting, training sessions and business information referrals. Dick Powell, lead business advisor for the CCC Small Business Development Center, will be engaged in all elements of the program.

The Small Business Management Program is a fee-based, structured nine month program that includes interactive classroom learning for three hours, one evening per month; one-on-one confidential business advising for two hours per month; business tools, access to experts, and opportunities to exchange ideas and experiences with other small business owners.

Owners of existing businesses who have a desire to succeed, have the skill to deliver a great product or service, need help with managing their business, and feel like their business is running their life are prime candidates for the program.
