| This workshop is applicable whether you want to start a part-time booth at the market, a small shop, or potentially a 500+ employee manufacturing operation. Students will come away with a good understanding of what it takes to license, register, and obtain the proper permitting and other specific needs related to starting up a business. Topics to be covered include some of the trials and tribulations that other have encountered so that you can avoid common pitfalls and errors that could cause your business to fail due to improper planning. | Brush up your notary knowledge and get the answers to your questions by attending a Secretary of State sponsored seminar for current and future notaries public. This seminar is a comprehensive and thorough examination of notary basics: what a notary is, responsibilities and liabilities, how to notarize, notary certificates, and the notary journal. This is your chance to talk to the state agency that regulates notaries, and participate in lively discussions about procedures, practices and notary laws. Participants will leave class prepared to take the online test to become a Notary. There is no charge for this class. | This class is for everyone, but can be especially helpful to teachers and counselors in learning how to assist students in exploring their unique selves using pencil cans and journals as therapeutic tools. This is a class about Personal Awareness. Each week there will be a new pencil can assignment and a new journal assignment along with class discussion. This class is taught by a professional pencil can maker (and has made more than 1,000 pencil cans since 1985) who has a Master's Degree in Family Studies. ### Small Business Development Center (SBDC)

The path traveled to start, run and grow a business is filled with a variety of obstacles that often result in costly setbacks, or even failure. Traveling this path alone can be overwhelming and is extremely risky. The Clatsop Community College SBDC counselors have traveled the path and can assist with overcoming the obstacles. The result is lower risk and increased probability of success. We accomplish this by providing:

- No Cost Business Consulting
- Training Sessions & Materials
- Business Information Referrals
