# Summer Camps - ages 12-18

Enrich your summer – learn about interesting subjects that you can pursue as a hobby or develop into a career. Camps are three to four days long and will get you started and motivated in a wide array of fascinating topics. Sign up today! Class size is limited. Enroll by calling 503-338-2566.

## **Video Game Design Camp (PER02533 - D1): Instructor – Nathan Williams**

Have you ever thought of a video game that does not exist? Now is the chance to find out how to turn your ideas into an actual game. Participants will use easy to learn software to discover the basics of video game design. Topics covered will include designing and developing game mechanics, characters, objects, levels, and elements of graphic design. After completion, you will understand how to create interactive games. Ages 12-18.

*Dates: June 22 to June 25 - Cost: \$60 - Time: 8:30am to 12:00pm - Location: Towler 105*

## **Click! Photography Camp (PER000152 - D1): Instructor – David Homer**

Explore the world through a camera lens. This class will focus on how to compose and create great photographs using your digital camera. You'll go on location on the Clatsop Community College campus and nearby neighborhood and trails for photo shoots, and view your images with other camp participants. Be sure to bring your digital camera and wear comfortable shoes. Ages 12-18.

*Dates: June 29 to July 1 - Cost: \$50 - Time: 1:00 to 4:30pm - Location: Art Center*

## **Raspberry Pi Camp (TEC070139 - D1): Instructor – Greg Riehl**

The Raspberry Pi is a fully-functional, credit-card sized computer, being used around the world to teach kids and adults the fundamentals of Computer Science. Campers will learn about the various hardware and software components of the Raspberry Pi by programming it to do whatever they want! Ages 12-18.

*Dates: July 27 to July 30 - Cost: \$150 - Time: 8:30am to 12:00pm - Location: TBA*

## **SAT Prep (LIF065209): Instructor – Talent Search & Upward Bound Advisors**

Use general strategies for taking the SAT exam. Identify key words of a question, answer set, and/or reading passage. Learn how to interpret the several kinds of reading comprehension questions, and how to locate material sought by reading comprehension questions. Identify the common kinds of mistakes in grammar, punctuation, and usage tested in the SAT Writing component. Class on Monday, Tuesday, Wednesday from 9:30-11:30 am and practice test on Thursday from 8:00 am – noon. Cost includes book.

*D1 - Dates: July 13 to July 16 - Cost: \$80 - Time: 9:30am to 11:30am - Location – Columbia 117*

*D2 - Dates: Aug. 3 to Aug. 6 - Cost: \$80 - Time: 9:30am to 11:30am - Location – Columbia 117*

## **Videography Camp (TEC070138): Instructor – Mick Alderman**

Good videography is about storytelling. Ideally, if you're making the effort to record something, you want others to enjoy watching it. Whether the intended audience is your friends and family or a global YouTube viewership, there are fundamental techniques that can make your videos more appealing. Ages 12-18.

*D1 - Dates: July 6 to July 9 - Cost: \$60 - Time: 1:00 to 4:30pm - Location – Art Center Rm 115*

## A Tribute to the Columbia River ~ July 17-July 18

### **THIS CONFERENCE IS DESIGNED TO:**

- Celebrate the impact of the Columbia River on the Pacific Northwest
- Examine ways in which the River has evolved over time
- Anticipate and reflect upon how the river is likely to change and in turn stimulate change

| This course is designed to give participants effective tools to deal with challenging student behavior. It provides a framework to help school staff understand what students are trying to communicate through the "language" of their behavior. Topics covered include behavioral techniques and intervention strategies that remediate disruptive behaviors, reduce power struggles while increasing classroom control, reduce educator workload, and help prevent burnout. After successfully completing this course, school staff will be better equipped to find and implement creative, effective solutions to behavioral problems.   |            |                 |     |                    |                  |       |

| This class provides an opportunity to interactively broaden an understanding about poverty and ways to effectively respond to people surviving poverty. Topics include an overview of basic definitions, and the impact of poverty on children, families, and the local community. Distinctions will be made between generational poverty, situational poverty, and immigrant poverty. Ample time will be available to discuss emotional and physical barriers associated with poverty, social class distinctions, and recognizing social harassment around issues of race and language. An emphasis will be placed on how to develop equitable relationships that build trust and respect.  |            |                 |     |                    |                  |       |

| Create a fun seasonal themed art piece using pen and ink and watercolor pencils. Then learn how to display your art on a woodblock panel (which is an alternative to matting and framing your art, and a great way to display watercolors or collage.) Your art will be gallery ready at the end of the workshop. We will start with simple drawing exercises, then later experiment with pen and ink and watercolor pencils. Second part of the class will focus on preparing your woodblock, attaching your art to the woodblock, and securing the gallery wire in the back. Supplies fee: \$20 payable to instructor at class.             |              |                 |       |          |          |   |

### WESTERN FENG SHUI (PER041003) (0 Credit)

This is a no-nonsense approach to the ancient art of placement. Feng Shui is not only a tool to create a more functional and emotionally engaging environment without the expense of remodelling or redecorating, it is also a process to allow one to live life with awareness and intention. Learn the origins of feng shui and why it works (Quantum Physics, Neuroscience, Psychology). Learn why feng shui works, practice for the basics of Bagua and use the power of Intention.

### AARP SMART DRIVER TRAINING (SAF090201) (0 Credit)

This course explains the changes that occur in vision, hearing, and reaction time as we age, and provides useful driving safety tips to handling these changes. Designed for drivers aged 50 and older who wish to participate in discussions surrounding safety and aging. One does not have to be a member of AARP to take this class. Oregon State law provides a discount on your auto insurance premium for completing this course. If you have already taken this or a similar course, most insurance companies require that a refresher course be taken every three years to continue to receive the discount; or every two years if you are 70 or over. There is a 45 minute lunch break Cost is \$15 for AARP members and \$20 for non-members.

#### Small Business Management Program (SBM)

Since 1979, the Small Business Management Program has assisted small business owners to achieve their goals through improved organization, management, operations and marketing of their businesses. Instruction is practical and immediately usable, tailored to each business's individual needs. If you're a business owner who is willing to commit time for classes and on-site visits and willing to try and accept new ideas, then this program is for you!

You'll benefit from monthly classroom sessions covering specific topics, group discussion and an exchange of ideas with other business owners; monthly visits to your business by the SBM instructor for personalized and confidential application of classroom topics and subjects of your choosing, and an analysis of your business to help you develop a sound plan for growth, expansion and greater profits.

#### Small Business Development Center (SBDC)

The path traveled to start, run and grow a business is filled with a variety of obstacles that often result in costly setbacks, or even failure. Traveling this path alone can be overwhelming and is extremely risky. The Clatsop Community College SBDC counselors have traveled the path and can assist with overcoming the obstacles. The result is lower risk and increased probability of success. We accomplish this by providing:

- No Cost Business Consulting
- Training Sessions & Materials
- Business Information Referrals

## ENCORE – EXPLORING NEW CONCEPTS OF RETIREMENT EDUCATION

FOR MORE INFORMATION,  
PLEASE CONTACT 503-338-2566 OR  
GO TO [WWW.ENCORELEARN.ORG](http://WWW.ENCORELEARN.ORG)

**ENCORE** is an association of retirement-age people, 50 years or older, who share a love of learning. Established in 2001 by retired adults, ENCORE is sponsored by Clatsop Community College and is a volunteer/member-run organization.

Membership dues are \$50 paid annually, entitling ENCORE MEMBERS ONLY to enroll in any ENCORE classes at no additional charge.

ENCORE offers short-term courses, often led by members, which cover a wide range of topics. Check out [www.encorelearn.org](http://www.encorelearn.org) for class lists. No tests, no grades! No compulsory attendance and no homework! Just plenty of enjoyment, enrichment and friendship! Social opportunities are open to all members for themed get-togethers and socials. The goal of ENCORE is to engage and inform members because curiosity never retires!
