

Campus Safety Report
Clatsop Community College
2016 Crime Statistics
(published October 1, 2017)

Clatsop Community College (CCC) is a public, two-year co-educational institution serving northwest Oregon and southwest Washington since 1958. With three campus centers, Lexington Avenue campus, Marine and Environmental Research Training Station (MERTS) and South County Center in Seaside, the College serves approximately 5,500 full-, part-time and continuing education students.

This report complies with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), the Violence Against Women Reauthorization Act (VAWA), and CCC Procedure 3.230-P1. This report explains how the College reports and handles crime and emergency situations on or near College property and describes prevention and awareness programs. The report is compiled by the Vice President, Finance & Operations from information obtained from the Physical Plant (the office primarily responsible for receiving notices of crimes and incidents on campus), Vice President, Academic Affairs office, Dean of Students, and the Human Resources office. Local police agencies are requested, at least once annually, to provide crime statistics for the areas on and adjacent to College properties. CrimeReports.com is reviewed and possible incidents are included in the police request.

CCC is committed to providing a safe and secure environment for students, staff, and guests. Safety is a cooperative effort, and responsibility for the safety of yourself and others is encouraged. We hope you will read this information carefully and use it to make CCC a safe campus to learn and work.

SECURITY/LAW ENFORCEMENT

The college Physical Plant staff is responsible for responding to emergency incidents, building alarms and/or reported safety hazards, to assess conditions and make contact with the appropriate emergency responders as required. Law enforcement duties are the responsibility of the Astoria Police Department for the Lexington Avenue and MERTS campuses and the Seaside Police Department for South County Center.

For law enforcement services and/or fire and life safety issues call 911.

If you need assistance from campus services call the following numbers:

Physical Plant – Monday through Friday (regular business hours) – 503-791-3320 or 503-338-2489
Monday through Friday (after 5 pm and on weekends) – 503-791-3320
Evening Administrator – 503-791-3320

REPORTING CRIMES

Prompt reporting of crimes is encouraged. To report a crime in progress or another type of emergency occurring on the Lexington Avenue campus or any of its satellite locations, call 911 from any campus phone. Clatsop County emergency dispatchers are available 24 hours a day, and will send the appropriate law enforcement or emergency personnel to all reported criminal, fire or ambulance calls. Any incidents involving criminal activity occurring on or around campus should be reported to the police.

Emergency: Police, Fire or Ambulance – 911
Non-emergency: Astoria Police Department – 503-325-4411
Seaside Police Department – 503-738-6311

If you observe a crime or are a victim of a crime, report the following: (a) type of incident, (b) location of incident, (c) description of the person or person's clothing and physical features, (d) the person's direction of travel and description of any vehicle, (e) date and time of incident. **Report all crime immediately!**

Incidents should also be reported Vice President, Finance & Operations, (503-338-2421, jzahn@clatsopcc.edu), who is responsible for ensuring the collection of crime reports. A form for reporting incidents can be found on the college web page, under the About CCC tab, in the Student Consumer Information – Safety Report section.

(<https://www.clatsopcc.edu/about-ccc/student-consumer-information/safety-report>)

CCC does not currently have procedures for confidentially reporting crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. Neither does the college have a formal policy that encourages counselors to inform the persons they are counseling to report crimes on a voluntary and confidential basis.

CAMPUS FACILITIES

Most campus facilities are accessible to the college community and visitors 7 am to 10 pm, Monday through Friday and varied hours on weekends depending on scheduled classes. MERTS and South County Center are open 8 to 5 pm, Monday through Friday. Academic buildings are kept open according to the academic schedule during the week and on weekends. Persons in buildings without proper ID and/or authorization may be escorted from the buildings. Refusal to leave the premises on request may initiate a citation or arrest for criminal trespass.

DRUGS AND ALCOHOL

CCC complies with all state and federal laws pertaining to possession and sale of controlled substances and alcohol. Possession or use of illegal drugs is forbidden on College owned or controlled property and at all college-sponsored events. Sale and consumption of alcohol is permitted on College owned or controlled property and at college-sponsored events with the pre-approval of the Vice President, Finance & Operations and documentation of proper licensing requirements. All violations of drug or alcohol laws will be reported immediately to law enforcement. CCC provides counseling and referrals for students and staff experiencing problems resulting from drug and alcohol use.

To receive confidential counseling or referrals to outside counseling agencies and specialists:

Human Resources/Affirmative Action Officer – 503-338-2450

WEAPONS ON CAMPUS

Possession, use or threatened use of firearms, ammunition, dangerous chemicals, weapons or destructive devices is not allowed on property owned or controlled by CCC or at college-sponsored events, except as expressly authorized by state law. All weapons violations will be reported immediately to law enforcement.

CAMPUS CRIME STATISTICS

The following are campus crime statistics for CCC Lexington Avenue campus (On-Campus), the public sidewalks and streets immediately adjacent to the Lexington campus (Public Property), MERTS campus and South County Center (Non-Campus) for the calendar years 2014, 2015, and 2016.

CCC monitors, through local police agencies, criminal activity involved in off campus student organization and college events. The Seaside and Astoria police departments responded to our request for statistics. A website (CrimeReports.com) is available to search for crime statistics throughout the United States. The Facilities Director, the Dean of Students and the Director, Human Resources also provide information regarding disciplinary referrals. Statistics must be disclosed separately for each of the four general categories (underscored & italicized). This means that when an incident meets the definitions in more than one of these categories, it must be reported in each category. Statistics include the number of all reported offenses, without regard to the findings of a court, coroner or jury, or the decision of a prosecutor.

A crime may be classified as unfounded only after a full investigation by sworn or commissioned law enforcement personnel and, for Clery Act purposes only, if sworn or commissioned law enforcement personnel make a formal determination that the report is false or baseless. A crime report cannot be designated unfounded merely because the investigation failed to prove that the crime occurred; this would be an inconclusive or unsubstantiated investigation.
