DEALING W/CHALLENGING CLASSROOM BEHAVIOR   EDU990002

| D1 | BERGERSON | 08:00am-01:00pm | WR | TOWL-310 | $59.00 | |

Start Date: JULY 13   End Date: JULY 14

This course is designed to give participants effective tools to deal with challenging student behavior. It provides a framework to help school staff understanding what students are trying to communicate through the "language" of their behavior. Topics covered include behavioral techniques and intervention strategies that remediate disruptive behaviors, reduce power struggles while increasing classroom control, reduce educator workload, and help prevent burnout. After successfully completing this course, school staff will be better equipped to find and implement creative, effective solutions to behavioral problems.

Small Business Management Program (SBM)

Since 1979, the Small Business Management Program has assisted small business owners to achieve their goals through improved organization, management, operations and marketing of their businesses. Instruction is practical and immediately usable, tailored to each business's individual needs. If you're a business owner who is willing to commit time for classes and on-site visits and willing to try and accept new ideas, then this program is for you!

You'll benefit from monthly classroom sessions covering specific topics, group discussion and an exchange of ideas with other business owners; monthly visits to your business by the SBM instructor for personalized and confidential application of classroom topics and subjects of your choosing, and an analysis of your business to help you develop a sound plan for growth, expansion and greater profits.

Small Business Development Center (SBDC)

The path traveled to start, run and grow a business is filled with a variety of obstacles that often result in costly setbacks, or even failure. Traveling this path alone can be overwhelming and is extremely risky. The Clatsop Community College SBDC counselors have traveled the path and can assist with overcoming the obstacles. The result is lower risk and increased probability of success. We accomplish this by providing:

- No Cost Business Consulting
- Training Sessions & Materials
- Business Information Referrals
