Farm & Home

PER022620 LISTENING TO THE NEW EARTH \$49.00

In the past ten years, grassroots organizations have stepped up to shine lights on ways to live in harmony and balance on Mother Earth. The three are: Bioneers, Gaianeering, and the Economics of Happiness movement. Bioneers promotes practical and innovative solutions to global environmental and bio-cultural challenges. Gaianeering looks at “working in concert with the Intelligences of Nature and Planetary Beings [...] as we plant the seeds of hope for a new tomorrow.” Economics of Happiness started as a documentary and has grown into a worldwide movement. The organization Local Futures spearheads the movement through talks, workshops and conferences held internationally.

PER040503 SEPTIC SYSTEMS \$15.00

Participants will learn everything they wanted (and likely did not want) to know about the septic system that is working hard every day to dispose wastewater. Working silently underground, your septic system is like the engine in your car - you don't think about it until it malfunctions! And like your car's engine, your septic system needs to be maintained properly to make sure it functions properly for a very long time. Homeowners, renters, realtors and the curious are invited to come and learn about how a septic system works, where you can find it on your property, and how to properly feed and maintain it to assure its longevity.

PER017402 MAKING A ZINE \$15.00

Students will plan, write, design, layout, and duplicate their own pocket-sized magazine with nothing more than a Sharpie, a glue stick, and a pair of scissors. Pronounced "zeen," a zine is a pamphlet-like publication of words and art (original or appropriated) and produced in small batches on a copier and sold for free or less than a dollar. Just as zines have historically given voice to perspectives outside the mainstream, these do-it-yourself publications give each student a small, unique voice all their own in tangible form.

PER013530 WRITING IS ... \$45.00

Writing is a craft. Part support group and part hearty push, this small group will focus on getting from ideas to draft. Each week, we will focus on a tool to strengthen your prose or poetry. A series of six sessions will address: Process, how to begin and maintain momentum; Point of View, finding compelling vantage points; Dialogue, crafting he said-she said that flows with authentic misunderstandings and everyday words; Plot, using the trajectory of point-of-no-return, conflict, and resolution to propel the reader; Pregnant Pause, using stillness to create delicious tension; Research, learn basic academic methods to authenticate setting and story; and Salon, sharing and celebrating what we've made (read: cookies). If you enjoy writing and would like to learn to do it well, this is a mini Master of Fine Arts taught with humor and warmth. Open to both absolute beginner and expert. Supportive sharing. Peer and instructor feedback. Together, let's morph your words from developing embryos to pieces of jeweled mastery.

CLATSOP ECONOMIC DEVELOPMENT RESOURCES (CEDR)

Does solving your business challenges seem like an impossible task?

The mission of CEDR is to deliver business-driven economic development services to create, grow, and retain businesses in Clatsop County. CEDR covers all aspects of your business' life cycle—from concept to expansion to exiting. CEDR provides confidential and free business counseling, specialized services, workforce recruitment and training. CEDR is a one-stop, high quality and low cost business solution.

SMALL BUSINESS MANAGEMENT PROGRAM (SBM)

If you're a business owner who is willing to commit time for classes and on-site visits and willing to try and accept new ideas, then this program is for you!

You'll benefit from monthly classroom sessions covering specific topics, group discussion and an exchange of ideas with other business owners; monthly visits to your business by the SBM instructor for personalized and confidential application of classroom topics and subjects of your choosing, and an analysis of your business to help you develop a sound plan for growth, expansion and greater profits.

SMALL BUSINESS DEVELOPMENT CENTER (SBDC)

The path traveled to start, run and grow a business is filled with a variety of obstacles that often result in costly setbacks, or even failure. Traveling this path alone can be overwhelming and is extremely risky. The Clatsop Community College SBDC counselors have traveled the path and can assist with overcoming the obstacles. The result is lower risk and increased probability of success. We accomplish this by providing:

- No Cost Business Consulting
- Training Sessions & Materials
- Business Information Referrals
