Historic Preservation and Restoration Program

Hands-on Summer Historic Preservation Field School

The Craft of Historic Building

Astoria, Oregon

Monday 18 June –Thursday 21 June

Daytime workshops/Evening tours

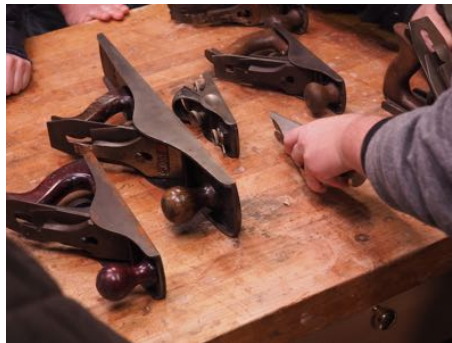

The field school will consist of a series of hands-on workshops, visits to regional sites of historic significance, walking tours of historic Astoria, a boat tour of Astoria's Columbia River waterfront, and other opportunities to investigate local history and preservation activities. Hands-on workshops introduce participants to the basic concepts of historic preservation, including woodworking, plaster repair, stained glass fabrication, and window restoration. Participants will experience an engaging combination of hands-on activities with customized tours of local historic resources. Workshops and tours will be conducted by experienced and highly qualified working artisans, historians and preservationists.
