CONTRACT REVIEW BOARD

The Clatsop Community College is a local public body, and periodically enters into public contracts. The Board of Directors is the body most familiar with the needs of the College in entering into public contracts, and the College's public contracts would be most efficiently and expeditiously reviewed by the College's Board.

Therefore, it is resolved by the Board of Clatsop Community College that the Board is hereby created as the local contract review board for the Clatsop Community College. When acting as the local contract review board for the College, the Board shall be known as the "Clatsop Community College Contract Review Board."

The Clatsop Community College Contract Review Board shall exercise those powers granted by the Department of General Services of the State of Oregon and its director.
