

Clatsop Community College

Code: 7.035
Adopted: 7/14/15
Revised:

Social Media

Clatsop Community College may establish official College social media networking sites, including but not limited to Facebook, Twitter, LinkedIn, YouTube, Flickr, MySpace, Wikipedia, WordPress, FourSquare, Blogger, and Google+ to facilitate information sharing and collaboration. Social media communications may be used to support the mission of the College. Social media sites are public spaces and any discussion of confidential College information and issues is prohibited. Information published must comply with all existing College policies. Clatsop Community College will establish procedures regarding College use of social media by College employees, independent contractors and students.
