

Taxpayer Perspective

Clatsop CC Leverages Taxpayer Dollars

- An estimated 84% of Clatsop CC students remain in Oregon and contribute to economic growth. Students who enter the workforce expand the tax base by generating higher earnings and reducing social costs.
- Higher student earnings and associated increases in property income generate about \$698,100 in added tax revenue each year.
- State and local governments will save approximately \$53,200 in avoided social costs each year, including savings associated with improved health, lower costs of law enforcement, and fewer welfare claimants.

Clatsop CC Generates a Return on Public Investment

Long-term Return to State and Local Taxpayers on Their Clatsop CC Investment

- State and local governments allocated about \$10.5 million in support of Clatsop CC in FY 2010-11.
- For every dollar appropriated by state and local governments to Clatsop CC, taxpayers will see a return with a cumulative added value of \$1.30 in the form of higher tax revenues and avoided social costs.
- State and local governments will receive a rate of return of 4.9% on their investments in Clatsop CC.
