Summer Program Preview.....

Watch the CCC website for exciting and innovative opportunities for credit and non-credit classes in the coming Summer Term. For example:

- You will be able to earn 3 credits of lab/science in a two-week intensive biology course.
- A four-day Historic Preservation Workshop will address local history and provide hands-on instruction in restoration techniques for stained glass, blacksmithing and window restoration.
- A one-day Conference on Extraordinary Living will help seniors live better in retirement and address a wide range of topics including health, education and community involvement.
- A Tribute to the Columbia River weekend conference will celebrate the impact of the River on our region and our community.
- Additional offerings are in progress to provide workshops for educators and opportunities for youth.

TAI CHI FOR HEALTH (FITo85050) (o Credit)

Tai Chi is an ancient form of moving meditation. Movements are slow, gentle, smooth and round. When tai-chi is practiced on a consistent basis (about ten minutes a day) you may see the following benefits: increased focus & awareness, improved muscle & joint function, lower blood pressure, improved memory and balance plus a sense of self satisfaction and self confidence. This form of tai-chi was arranged for the National Arthritis Foundation. Although it is generally practiced standing, it can be done sitting down. No experience required. Seniors and all others encouraged to attend.

Small Business Management Program (SBM)

Since 1979, the Small Business Management Program has assisted small business owners to achieve their goals through improved organization, management, operations and marketing of their businesses. Instruction is practical and immediately usable, tailored to each business's individual needs. If you're a business owner who is willing to commit time for classes and on-site visits and willing to try and accept new ideas, then this program is for you!

You'll benefit from monthly classroom sessions covering specific topics, group discussion and an exchange of ideas with other business owners; monthly visits to your business by the SBM instructor for personalized and confidential application of classroom topics and subjects of your choosing, and an analysis of your business to help you develop a sound plan for growth, expansion and greater profits.

South County Campus 503-338-2342

Small Business Development Center (SBDC)

The path traveled to start, run and grow a business is filled with a variety of obstacles that often result in costly setbacks, or even failure. Traveling this path alone can be overwhelming and is extremely risky. The Clatsop Community College SBDC counselors have traveled the path and can assist with overcoming the obstacles. The result is lower risk and increased probability of success. We accomplish this by providing:

- No Cost Business Consulting
- Training Sessions & Materials
- Business Information Referrals
