PER047527	NATURAL HEALTHCARE SERIES: HERBAL MEDICINE *NEW*				\$20.00
Herbal remedies have been used for thousands of years and are a natural way to promote healing. Did you know that there are natural alternatives for many conditions without the side effects? For example, studies have shown that over the counter medications for colds and flus actually prolong the illness. Those medications are just masking the symptoms, whereas herbal formulas are helping your body heal. In this class you will learn how to use Chinese herbal formulas at home to safely address many common conditions for both yourself and your children. In addition to colds and flu formulas, we will learn about treating digestion, pain and anxiety. This is a hands-on workshop. 1 session
