Student Contract for Upward Bound/Talent Search Graphing Calculator Checkout

By signing this contract I acknowledge and agree to abide by the following conditions:

- ◆ Student and parents are responsible for preventing damage to and theft of the graphing calculator while it is checked out to the student.
- ◆ The calculator is a fragile object that must be kept in a safe and secure environment at all times.
- ◆ The calculator is intended for academic use.
- ◆ If the calculator is used in school, it must be used in accordance with school policies.
- ◆ Installation of additional programs or removal of existing programs is not allowed.
- ◆ Any student-generated data left on the calculator will be deleted when it is returned to Upward Bound/Talent Search.
- ◆ The calculator is to be returned to Upward Bound/Talent Search in the same condition as when it was loaned out, complete with all accessories.
- ◆ The calculator is to be returned by the date shown below, or at any time it is requested by Upward Bound/Talent Search staff. The Upward Bound /Talent Search Director must approve any extension of the due date in advance.

Calculator # _____

Date due: _____

Parent Agreement

- ✧ We understand and agree to comply with the conditions listed above.
- ✧ We will be financially responsible for replacement of the graphing calculator if it is lost, damaged or stolen.
- ✧ We understand that the TS/UB graphing calculator loan program is designed to help students academically by increasing their access to information and technology.
- ✧ By signing this contract, the parent agrees to allow the student to borrow the TS/UB graphing calculator and to encourage and assist the student to follow the conditions outlined above.
