

BP 3720 Computer and Network Use

References:

17 U.S. Code Sections 101 et seq.;
NWCCU Standard 2.G.5
ORS 341.290(4)

Students, employees, and visitors who use the College's computers and networks, and the information they contain, and related resources have a responsibility not to abuse those resources and to respect the rights of others. The President or presidential designee shall establish procedures that provide guidelines to students, employees, and visitors for the appropriate use of information technologies. The procedures shall include that users must respect software copyrights and licenses, respect the integrity of computer-based information resources, refrain from seeking to gain unauthorized access, and respect the rights of other computer users.
