AP 4100 Graduation Requirements for Degrees and Certificates

References:
NWCCU Standards 2.C.3, 2.C.4, and 2.D.5

All students shall apply for their degrees and/or certificates within the last two terms of completion. A student application is cleared if that student has completed and/or is registered to complete all courses required for the program of study for which they are registered. If the student does not complete all required courses at the end of the term, their application will be inactivated, and that student will need to reapply.

Degrees may also be awarded retroactively, if a student has already completed all of their requirements.
