Jamie Ash

"Thank you for helping to support my dream of becoming a nurse! I don't know how I would have been able to make it this far if it wasn't for the grants and scholarships that I have received this year and last."

Thank you for helping myself and my classmates financially, some of us wouldn't be here if it wasn't for generous donors like you. We are extremely grateful."

Brandi Swiderski

"I would like to thank you for awarding me the Sarah Shawa Memorial Scholarship for this upcoming 2022-2023 school year. As someone who has seen all the behind-the-scenes work that the foundation does to help ensure that students like myself will be successful in their studies by limiting the amount of financial stress that comes with a college education, I truly and heartfully thank you."

Please keep doing the amazing work that you do, because it is life changing for people like myself."
