Cooperative Work Experience

Cooperative Work Experience (CWE) is a program that allows students to earn college credit for working in the community in a career area related to the student's academic goals.

Contact the Program Manager of Cooperative Work Experience at mbateman@clatsopcc.edu or (503) 338-2507 for the appropriate CWE class, seminar, and registration information.

CWE280	COOPERATIVE WORK EXPERIENCE				1-11 CR
--------	-----------------------------	--	--	--	---------

Students work in the community in positions which allow them to demonstrate the skills they have gained during their academic training. Depending on the program, students can earn up to 18 credits on the job. Prior to beginning the work experience, students create individual learning objectives in cooperation with an identified Worksite Supervisor. Student learning objectives are reviewed and approved by the student's Faculty Advisor and/or Program Supervisor. Student learning objectives are consistent with program outcomes and guide student learning during the term. Student learning is monitored by Cooperative Work Experience staff. Students participate in regular monitoring meetings. Students submit required paperwork and are evaluated by their Worksite Supervisor. Students assume greater responsibility on the job as the work experience progresses. Registration requires the signature of the Cooperative Work Experience Program Manager.

Register for CWE280 by emailing the Program Manager of Cooperative Work Experience at mbateman@clatsopcc.edu.

Prerequisite: None, however, students must have adequate academic training to be successful in an entry-level position.

Co-requisite: None.

CW^{CLATSOP} WORKS PAID INTERNSHIPS

● MORE THAN JUST A SUMMER JOB

**ONE
APPLICATION**

Internships build a bridge from college to career. Would you like to gain valuable on-the-job training for career success? Consider Cooperative Work Experience (CWE) or a Clatsop WORKS internship!

**MULTIPLE
OPPORTUNITIES**

What is the difference?

CWE280 is a credit-bearing work experience and partnership between employer, instructor, and student. It is real work experience that is accepted as college credit in most degree programs. CWE is tuition-bearing and eligible for financial aid. The work itself may be paid or unpaid. CWE is graded and the working experience must fulfill program of study learning objectives in the students' degree program. Offered all terms.

A Clatsop Works Internship is an employer-created, paid work experience in the summer to gain skills and experience. It is not for credit / not graded. The internships change each summer and students can choose to apply for any internship they are interested in, regardless of their program of study.

For CWE280 information, see **Page 7**
