

Your financial aid application was selected for review in a process called "Verification." In this process, CCC will be comparing your information from your application with your and your parent(s)' 2023 Federal tax information. Federal regulations require us to review this information before offering federal and state aid. If there are differences between your application information and your financial documents, we may need to make corrections electronically.

Please complete ALL sections of this worksheet, attach requested documentation as appropriate, sign and return to Financial Aid. Incomplete worksheets will not be processed, and verification cannot be completed until all requested documents are received and reviewed.
