The Board of Education shall conduct an evaluation of President at least annually. Such evaluation shall comply with any requirements set forth in the contract of employment with the President as well as this policy.

The Board of Education shall evaluate the President using an evaluation process the Board of Education and the President jointly agree to and develop. The evaluation will be completed and feedback provided to the President in time for consideration for any needed changes to next fiscal year's budget.

The criteria for evaluation shall be based on Board of Education policy, the President's job description, and performance goals/objectives developed in accordance with BP 2430, Delegation of Authority to the President.

The criteria for evaluation of the President shall also include performance goals and objectives related to the College's commitment to diversity, equity, and inclusion. Results of the evaluation will be written, announced in a public meeting, and be placed in the President's personnel file.

Any time the President's performance is deemed to be unsatisfactory, the President will be notified in writing, with a copy placed in his/her personnel file, of specific areas to be remedied and will be given an opportunity to correct the problem(s). If performance continues to be unsatisfactory, the Board may either dismiss the President or not renew his/her contract pursuant to Board policy, the employment contract with the President, and state law and rules.
