

BP 2718 Professionalism and Accountability

References:

ORS 244.010 to ORS 244.400

NWCCU Standard 2.D.2

BP 2715 Code of Ethics/Standards of Practice

The Board of Education and its members demonstrate professionalism and accountability in carrying out their Board roles. This includes:

- Demonstrating respect for College administrators, faculty, staff, and students during all public and private interactions
- Advocating for the College when representing the Board with members of the public
- Maintaining appropriate decorum during meetings and interactions with internal and external constituents of the College
- Conducting all Board business in public except as allowed by law
- Consistently following all College Board policies and procedures
