I was born and raised in Astoria. I graduated from Astoria High School in 1992 and received my associate's degree and Clatsop Community College in 1994. I then transferred to University of Oregon where I received a bachelor's degree in business management in 1996. I moved back to Astoria after graduation and purchased Fultano's Pizza in Astoria June 1998. I began working at the pizza parlor in high school. I recently added on a sports bar in March 2025.

Sincerely

Mark Cary
