

## Supplemental Application

**Please submit responses to the following questions. Then upload this document within the supported documents tab while applying. (There are 2 questions)**

1. Please describe how you meet the minimum education and experience requirements in the job description. If you do not have the specific requirements listed, describe how you believe your qualifications are equivalent to the education and experience requirements.
2. Are you interested in teaching specific classes for the College? If so, please list (see the College catalog for currently approved courses).
