Arts & Letters (3 Cr)								
Social Science (3 Cr)								
Additional Credits[6]								
Col 6 + Col 7 = Total Credits								

Total Credits = Total of Col 6 + Col 7………….. Enter Total Credits Here [_____]

Col 9 divided by Col 7 = GPA

GPA = Total of Col 9 divided by total of Col 7 ………….Enter GPA Here [_____]
Minimum accepted GPA is 3.0.
Total Quarter Credits allowed is 45 credits for GPA calculation.

[1] This course is typically 4 quarter credits. If your writing course is 3 quarter credits, contact klaughman@clatsopcc.edu for instructions on completion of your grid. If you have taken this course at a college on the semester system for 4 semester credits, you have earned 6 quarter credits *(1 semester credit = 1.5 quarter credits).* You may count 2 credits in column 6 and 4 credits in column 7. Exception: If you have earned a bachelor's degree that is recorded on a transcript, refer to the **Instructions, section C1 & C2.**

[2] This course must be completed by the application deadline.

[3] This course must be shown on a transcript as completed within the last seven years. (no earlier than September 1, 2019 for the 2026 application period.

[4] See **Instructions, section C5d & C5e** if you completed this course at a college on the semester system or at a college in Washington state.

[5.] See **Instructions, section C4** for details.

[6.] Only credits that have been pre-approved. Contact at klaughman@clatsopcc.edu for instructions.
