Upward Bound at a Glance

"The achievement of your goal is assured the moment you commit yourself to it." --Mack R. Douglas

The Upward Bound Program:

<u>Individual Meetings:</u> All students attend individual meetings with their Upward Bound Advisor for academic advising, career counseling and college planning. Advisors will schedule regular meetings and assign a required number of meetings. Advisors are also available at each school two days per week for meetings at the student's request.

<u>Monthly Class Meetings:</u> Students attend one class meeting per month for information specific to their grade. These meetings cover information about study skills; academic requirements for getting into college; preparing for college; how to overcome blemishes on the academic record; career exploration; college exploration; and more.

<u>Tutoring:</u> Based on their grades, Upward Bound students may be required to attend after-school tutoring sessions. Tutors are on hand to help with math and English. Tutoring in other subjects may be available by special arrangement.

<u>Skill-Building Workshops</u>: Monthly workshops held at Clatsop Community College (CCC) offer supplemental instruction in core subjects and school success skills. Attendance at all workshops is strongly encouraged, and may be required depending on students' grades.

<u>Summer Academy</u>: The Summer Academy is a mandatory part of Upward Bound. It is six weeks long and takes place at CCC from 9:00 am – 3:00 pm, Monday – Thursday. Fridays are field trip days. Students participate in service learning-based projects and academic seminars. Students who have previously completed the Summer Academy may have other summer options in limited circumstances; see UB Handbook for details.

The Upward Bound Senior Bridge Program:

The purpose of Upward Bound is to help students get into college. To that end, the summer after a student completes his or her senior year, Upward Bound offers the Senior Bridge Program.

<u>The Bridge Program:</u> For students who have graduated and are transitioning to college, Upward Bound will pay tuition and fees for approved summer courses at Clatsop Community College. This is the equivalent of up to \$1000 in scholarship money because it allows students to take classes that count toward their college degree *free of charge*.

Graduating seniors may also participate in UB college preparation including:

- 1. Academic Advising Session: This component helps students understand what to expect during the transition to college and includes tips for college success.
- 2. College Readiness Trips: Students will travel to the campus they will be attending in the fall to sign up for additional services; meet advisors; locate classes and residential facilities; etc.
