Art + Crafts

#### JEWELRY METALSMITHING

Metalsmithing is the art and practice of forming and fabricating metal into jewelry. In this class, students will learn how to make copper, brass, and precious metal jewelry by using tools to produce pierced (cut-work) designs that reflect their individual style. Students will have access to the instructor's complete collection of equipment for forming, shaping, casting, coloring, and polishing. An additional fee for supplies of \$30 for new students or \$15 for returning students should be paid to the Instructor on the first day of class in the form of cash or check. All students should bring safety glasses to class, and returning students should also bring their jewelry tools.

#### WEAVING TRADITIONAL MARITIME MATS VARIES

Historically, maritime chafing mats, woven from retired fishing and crabbing line, were used to protect the most trafficked areas of the deck aboard wooden ships from everyday wear and tear. In this workshop, students will learn the history and purpose of chafing mats, how to select and prepare retired commercial fishing line for weaving, how to read and follow patterns, and how to weave mats from retired commercial line harnessing the sea's good karma. Participants will leave with their own finished mat woven with ocean knots, kringle knots, and/or oval knots!

#### BIRDWATCHING FOR BEGINNERS

\$25

\$55

Take time to familiarize yourself with the beautiful birds of the Pacific NW. Learn to identify them by sight, sound, habitat, and behavior. Even in urban areas, birds are some of the easiest wildlife to observe, but how can you tell which is which? Learn how to tell thrushes from warblers, hawks from eagles, waterfowl from wading birds, and more. Whether you're a backyard birdwatcher or eager to go out into the wilderness to check species off your life list, this is a great class to get you started!

This all-inclusive strength training program blends strength with flexibility, endurance, balance, coordination, and concentration. Its unique synergism yields strong, fluid movements that require a challenging yet invigorating focus of mind and body. Create a better functional body to meet life's demands with a lot of laughter but without injury or undue fatigue. Students will need to bring a set of hand weights to class.

#### **ENCORE LEARN**

ENCORE Learn (Exploring New Concepts Of Retirement Education) provides life-long learning opportunities for students age 50+. The organization is run entirely by its members who decide what they want to learn and how they want to learn it. They conduct their own classes, invite guest speakers, discuss current events, read books and plays, and keep their minds active. ENCORE Learn members may use the CCC Library including its interlibrary loan privileges and computers. Anyone interested in the ENCORE Learn experience may enjoy two class sessions at no cost or obligation. We know they will want more! To request an information packet or become a member, please call 503-338-2408 or email: communityed@clatsopcc.edu. You can also explore the ENCORE Learn website at: encorelearn.net. This year's membership fee is \$35 and at a discount from the usual \$50 fee.

#### FIRST AID. CPR AND AED CERTIFICATION

This course is designed to prepare participants to provide First Aid, CPR, and use an automated external defibrillator (AED) in a safe, timely, and effective manner. This course teaches the critical skills needed to respond to and manage an emergency until emergency medical services arrive. This course includes infant/child First Aid and CPR. Upon successful completion of the course, students will receive the American Heart Association First Aid/CPR/AED two-year certification. Cards are issued electronically through the American Heart Association and may take up to two weeks to arrive.

#### **GUEST SERVICE GOLD®**

This comprehensive program is designed to train line-level employees to engage and provide memorable guest service. Students will learn to identify and apply the seven principles of customer engagement in the workplace, identify golden opportunities to personalize an experience and inspire others and provide visitors with authenticity, intuition, empathy, delight, delivery, and initiative. Following the training, students who pass the certification exam with a 70% or greater will receive the Certified Guest Service Professional® designation. The course is \$45 per person, plus a \$35 materials fee, payable to the instructor day of course

**EVENING CLASS** 

HANDGUN SAFETY VIA ZOOM

In this course, participants will learn handgun safety for personal and/ or professional applications including: essential gun safety rules, the basics of ammunition, the fundamentals of pistol shooting and shooting positions, common shooting errors, proper gun maintenance and cleaning, and how to maintain fundamental handgun safety skills. Completion of this course meets the Oregon competency requirement for handgun safety training required to obtain a concealed handgun license (CHL).

MERES RMT

#### LOCAL AMATEUR RADIO RESOURCES

Students will learn how to use their hand held and base station VHF (2 meter) radios, how local repeaters operate, suggested types of antennas, effective communication skills, how traffic nets operate, emergency and battery power sources, accessing Echo link, IRLP and digital systems, how the Columbia River Lightship shortwave/wireless (HF) amateur radio station operates and the type of license needed and the purpose of QSL cards. Presentations made by the Community Emergency Response Team (CERT) and the Amateur Radio Emergency Services (ARES) staff. Information about local clubs and releated groups will be provided. This course is not a license prep class or a theory class. This is a "how to do it" course.

MASTER GARDENER WITH OSU

COURSE

#### REGISTER THROUGH OSU

Master Gardener™ program, taught by OSU extension agents and horticultural experts, offers basic and practical courses in plant science and home horticulture. Classes include basic botany, methods for growing vegetables, lawns, fruit trees and landscape plants, pest identification and control methods, soil management and plant nutrition, and diagnosis of plant problems. The OSU Master Gardener program is designed to provide in-depth horticulture training for local gardeners who will volunteer in the community to help the OSU Extension Service answer home and community gardening questions for the public. Registration through OSU.

#### WRITING A WINNING GRANT PROPOSAL

Learn how to prepare a winning grant proposal for private foundations or government agencies. You will learn how to conduct pre-proposal research, how to match your needs to the funding sources, the essential elements in any proposal, hints on writing the proposal itself, and how to submit the proposal. There are no quick tricks to writing a winning proposal, it takes time, hard work, and persistence. This workshop will help you organize your time, understand the work, and get inspired by "no" in order to get to "yes". The course is \$75, plus a \$25 materials fee, payable to the instructor day of course.

## We Are Here To Help You Grow

Our services are designed to help business owners and operators in all stages from start-ups and businesses in their first year, to mature business looking to grow. Our services include free and confidential business advising, monthly workshops and seminars and the Small Business Management Program.

#### **Business Advising**

As an entrepreneur, your path to start, run and grow a business is likely to be filled with a variety of challenges that you'll need to overcome to avoid costly setbacks or even failure. The journey can sometimes be overwhelming and risky- but you don't have to do it alone. The Clatsop SBDC's team of professional business advisors are available to help you navigate your way to success!

To schedule a free and confidential advising session in English or Spanish, visit our website or call 503-338-2402.

#### **Small Business Management Program (SBM)**

Are you ready to take your business to the next level and are excited to learn and try new ideas, then this program is for you! The Small Business Management Program is a comprehensive 9- month business management course designed to give you expert advice across all aspects of your small business. You'll hear from experts in bi-monthly classroom sessions, benefit from group discussion with other business owners and get individual and personalized business coaching—all designed to help you develop a sound plan for growth, expansion and greater profits.

The next SBM cohort begins Fall 2022. Contact the SBDC office for more information.

#### **Workshops and Seminars**

The Clatsop SBDC offers a variety of affordable workshops in English and Spanish, designed just for Small Business owners! Experts will share insights and knowledge on a wide range of business topics, including business planning, marketing, customer service, finance, budgeting, human resources and much more!
